DEPUTY CLERK

NOTICE OF REMOVAL

Defendant Robert Sciarrone, by the undersigned as attorney, hereby gives Notice of Removal of this action from the Court of Common Pleas, Monroe County, Pennsylvania, in which it is now pending, to the United States District Court for the Middle District of Pennsylvania.

The grounds for removal are as follows:

1. On December 4, 2008, plaintiffs A Pocono Country Place Property Owners Association, Inc., Harry Williams, Emmett Keith Mock, Edith Mock, and Jeffrey Schlaack filed a Third Amended Complaint in the Court of Common Pleas, Monroe County, Pennsylvania, under case number 6140 Equity 2008 naming the Defendant Robert Sciarrone as the sole defendant. See Exhibit A, Third Amended Complaint.
2. Service was made on counsel for the Defendant by regular mail on the 4th day of December, 2008. Thus, this Notice of Removal is timely filed under 28 U.S.C. 1446(b), as it is filed within thirty (30) days of service of the Third Amended Complaint.

3. Plaintiffs' Third Amended Complaint sets forth ten (10) separate Counts.

All of the Counts incorporate by reference the allegations contained within paragraphs "1-21."

4. Paragraphs 12, 13, 14, 15, 16, 17, 18, and 19 relate to the ownership, operation, and control of an internet site at www.apoconocommunity.com whereby the Defendant set up the website as a bulletin board system and the Defendant acts as the site's Administrator.

5. Paragraph 21 of the Third Amended Complaint recites "Many of the postings at the website are aimed solely at harming the reputations of Plaintiffs so as to lower them..."

6. Each Count of the Third Amended Complaint adopts the provisions and allegations of the previously cited allegations so that these allegations are incorporated into each of the consecutively numbered Counts.

7. Plaintiffs' Complaint alleges violations of the Communications Act of 1943 (47 U.S.C. Section 223(a)(1)(c)).

8. Count X of the Third Amended Complaint also seeks an injunction against the Defendant.

9. Paragraph 226 of the Third Amended Complaint recites that "people, aside from Defendant, are members of Defendant's website."

10. Paragraph 227 of the Third Amended Complaint recites that "these other members have posted messages falsely alleging that Plaintiffs have engaged in abusive, deceptive, improper, unethical and illegal activity."

11. Paragraph 228 of the Third Amended Complaint recites that "(T)hese postings also reflect on the management of APCP's business, attack APCP in its method of conducting its affairs and accuse APCP of mismanagement."

12. Paragraph 229 of the Third Amended Complaint sets forth several statements hosted on the Defendant's website which are deemed to be objectionable to the Plaintiffs.

13. Paragraph 239 of the Third Amended Complaint recites that "(S)ince Defendant has the power to ban users, he is the best position to delete the statements as opposed to the original authors."

14. Paragraph 240 of the Third Amended Complaint recites that "(D)espite repeated demands, Defendant refuses to remove the statements identified in Paragraph 229 from his website."

15. 47 Section 230(c)(1) provides complete immunity from liability for providers and users of an interactive computer service who publish information provided by others.

16. Section 230 has a three prong test for the availability of the immunity:

a. The defendant must be a "provider or user" of an "interactive computer service."

b. The cause of action asserted by the Plaintiffs must "treat" the Defendant as the Publisher or speaker of the harmful information at issue.

c. The information must be provided by another information content provider, i.e., the defendant must not be the information content provider of the harmful information at issue.

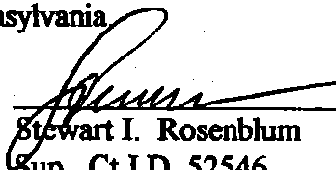

16. Since the Plaintiffs have alleged violations of 47 USC Sections 223(a)(1)(c) and 230(c)(1), removal of this case is proper pursuant to the provisions of 28 USC 1441(a).

17. This Court should exercise supplemental jurisdiction over Plaintiffs' state law tort claims, as they form part of the same case or controversy as the federal claim.

28 USC 1367.

WHEREFORE, Defendant Robert Sciarrone hereby gives notice of removal of this action from the Court of Common Pleas, Monroe County, Pennsylvania, to the United States District Court for the Middle District of Pennsylvania

47. The conduct of Defendant, as set forth above, was outrageous, intentional, malicious, willful and in blatant disregard for the rights of Plaintiff Harry Williams.

48. As a result of said conduct, Defendant is liable to Plaintiff Harry Williams for punitive damages.

WHEREFORE, Plaintiff Harry Williams requests that the Court:

198. These postings reflect on the management of APCP's business, attack APCP in its method of conducting its affairs and accuse APCP of mismanagement.

199. The following specific statements posted by Defendant are defamatory with respect to Plaintiff APCP:

- a. June 10, 2008: "Certain members of the Board and Jeff Schlaak (sic), instead of cleaning up the community, harass and file complaints against individual residents."
- b. August 14, 2008: "The following people have been watching, viewing, copying and printing topics, posts and forums from this bulletin board for the sole purpose of causing harm by way of harassment to the members and the owner of this site."

Randolph T. Borden, Esq.

Harry Williams
Emmett Kieth Mock
Edith Mock
Jeffrey Schlaack
Carol Lee Kidd

The above mentioned persons have been, and continuing to engage in the course of conduct of harassment and stalking. This is a criminal offense and is punishable according to law."

- c. April 29, 2008: "THE ATTORNEY OF RECORD MUST GO. HARRY WILLIAMS MUST GO. THE MOCKS MUST GO. MARC WINTERS MUST GO. THESE PEOPLE ARE IN IT FOR THEMSELVES AND DON'T GIVE A CRAP ABOUT OUR COMMUNITY... These pricks, thugs, losers have certainly made my life a living hell. That's why I wish them all a very horrible death and their families. (emphasis in the original)
- d. July 21, 2008: "The entire BOD (Keith Mock, Edith Mock, Carol Lee Kidd, Marc Winter and Janet Harris) neglecting their fiduciary responsibility in an attempt to cover up the unlawful disqualification and putting forth a false and misleading document that was broadcast on the APCP Channel 80.

Having a Property Manager that conspired with them to have the Candidate disqualified."
- e. June 5, 2008: "[Harry Williams] yelled at an elderly woman (Angela) at a meeting..."
- f. June 5, 2008: "He is doing all this in his official capacity of a Board Member and the President and should be removed on that basis alone."
- g. August 9, 2008: "Jeffrey Schlaack and APCP

... He has conspired with a former employee that has embezzled funds from the Association (by way of a fuel card) to have Cindy and Debbie removed from the Board, unlawfully I will add."
- h. August 18, 2008: "... I can say with no hesitation that Jeffrey Schlaack is a liar. He out and out lied to me with regard to the citation. He is not worthy of the position he currently holds as Property Manager of A

Pocono Country Place if he is going to lie to and harass the residents.

i. August 28, 2008: "If Randolph T. Borden, Esq., the Board of Directors and Jeffrey Schlaack would get off their asses and resolve these PRIMARY issues that in fact bring our property values on a spiral downward slope, we would not be here and their (sic) would not be much to dispute. Get off your asses and take care of the community!"

j. October 8, 2008: **"Jeffrey Schlaack hires his wife....."**
Jeffrey Schlaack has hired his wife as his secretary....."
(Emphasis in the original)

k. October 9, 2009: "Employee manual???????????"

It is clear that Jeffrey Schlaack can do whatever the hell he wants to do and if you don't like it, you can just go to hell, or hire an Attorney.

....or, you can go to hell and hire an Attorney.....

....or, you can hire an Attorney and then go to hell.....

....or, you and your Attorney can go to hell.....

....can someone please pass me the jelly.....?"

l. August 5, 2008: "Norma called me and stated that Jeff Schlaack (sic) started yelling at her and slammed the door shut in the Admin office today when she went there. I told her to call the police and have them file a report."

m. July 30, 2008: "Hey Jeff Schlaack... The gates are constantly broken... The amenities are disgraceful and in disrepair... Some members of your Church are working here now. Friends and family members of the Admin team are on the payroll. What can a (I believe) 16 year old kid do in working in Maintenance (sic)"

n. October 10, 2008: "It would seem that the Dues and Maintenance will go up by some \$200.00 for starters. Word has it that there is no light at the end of this tunnel, only bleak, black, dreary and horrible times ahead.

At least we can watch it on Channel 80.....

What needs to be done is to escrow the dues into one huge account, preferably at Penn Security so to bankrupt this corporation and get it over with already.

I think we've seen enough corruption. To get this in motion, call me, email me. Let's work together on this"

- o. August 4, 2008: **"Hack Attempt!**
Today at 3:54PM, the Administration Office of A Pocono Country Place Property Owners Association tried to hack into this forum.

I immediately notified my Attorney Mr. Stewart I. Rosenblum. He wrote all the information down and told me to call the police because that's a criminal offense and to keep him posted.

I called PMRPD who transferred my call to the Monroe County Control Center. I gave the info and they told me that I would get a call from the Police.

PMRPD Officer Sciarillo (sp) called and I gave him all the info. I shall also provide him with the documentation. I also told him I called my Attorney who told me to notify the Police.

I THOUGHT I HAD MADE THIS CLEAR THAT I AM NO LONGER FOOLING AROUND. I HAVE AN ATTORNEY AND I SHALL PROTECT MYSELF AGAINST ALL ABUSES. (emphasis in the original)

- p. June 13, 2008 (3 postings): **"I got a citation in the mail....."**

"Filing fictitious (sic) citations is a crime. So is filing fictitious (sic) reports."

"From APCP. They have no cause"

- q. July 24, 2008: "A report from Security Officer Dorish states that I admitted this to him. That's a laugh and Dorish is a liar and should be terminated forthwith for filing a false report. Another jackass on the payroll."

- r. July 30, 2008: "I am sick and tired of the Association repeatedly engaging in a course of conduct that constitutes harassment."
- s. September 5, 2008: "Knowing that there was election tampering, Jeffrey Schlaak's (sic) friends working here, members of the Board intimidating, harassing residents, Board members with business addresses inside the community and in direct violations of the covenants, violations of our US Bill of rights, The Board making public false and inaccurate (sic) info on the TV channel, spending money on things we don't need, having no priorities whatsoever.....the list goes on....."
- t. September 1, 2008: "I called Security and got the same thing. I called again and waited. The busy signal runs out after 10 to 15 seconds late and then it goes to a ring. I spoke with the Dispatcher who was well aware of this and told me that when you call the number 894-5028 to press the # key. This will bypass the busy signal.

Well,

There is an apparent flaw in the new phone system, they are aware of it and nothing has been done to correct it. It gives the residents the false impression that the line is busy and in an emergency situation, the results could be deadly. To knowingly have a flaw in a Department such as Security which is now budgeted at approximately 1.5 million dollars a year is beyond ridiculous and it needs to be addressed and corrected immediately.

More proof that the Board and Jeffrey Schlaack are inadequate in their respective public duties as the leaders of this community.

- u. August 25, 2008: **"The Sunshine Act and APCPPOA Inc.**

* * * *

So, this Corporation exists pursuant to a statute, which is law, is subject to the Sunshine Act.

Attorney Randolph T.Borden doesn't know what he's talking about with respect to this."

- v. August 11, 2008: "I am not laughing about the attempted hacking of my site from APCPPOA Admin... I am not laughing and I am extremely hurt by this recent attempt by APCPPOA's attempted hacking into this forum. I am pursuing criminal charges against them and I want to see if the police cooperate in which they should. If they don't, well then, my Attorney shall."
- w. July 23, 2008: (With respect to a Food Facility Safety Report) "Who paid this Inspector off and why? In compliance? NO POSSIBLE WAY!!"
- x. July 23, 2008 (republished the comments made by a user named "shik"): "so the scum sucking less-than-competant (sic) whack jobs with really neat backgrounds can't do sh*t to really focus on the things that need to be rectified..."
- y. June 16, 2008 (Google Cached on August 16, 2008):

"Question for PMRPD Officer Bashore

* * * *

What I post is the truth. You are not worthy of carrying a badge and upholding the law. You are a poor excuse for a Police Officer, a poor excuse for a human, an abuser, you use your office for personal gain, threatening and harassing the citizens who stand up to your abusiveness, and with this latest attempt of violating my liberty, I shall go out of my way to ensure hat you are stripped of your title, fired, humiliated as you did me and all this will be in the public eye for all to see.

You forced the Property Manager to issue me a citation?

You forced Security to file a false report?

I'm done being a victim of your sick, twisted, ridiculous and abusive game."

- z. July 14, 2008: "Harry Williams, Jeff Schlaak (sic) and Attorney Randolph Borden were directly involved with the interference of the

2008 Elections of APCPPOA and were directly involved with the illegal disqualification of Candidate Norma Padilla-Riss... The remaining Board Members with the exception of Mrs. Karen White and Ms. Bernadette Bruno should be removed from the Board because they had actual knowledge of the unlawful (sic) actions against the best interest of APCPPOA and failing to address this in a timely manner."

There are a number of obstacles created by the bod that we will have to negate. With their abuse of the by-laws and rules the bod has turned total control of PCP over to a small group of outsiders and denied the residents any voice in the operation of PCP.

* * * *

PCP is a Cash Cow that renews that resource every year. Slimy and sleazy people, such as we are dealing with, will always look for and find "legitimate" ways to use all available finances in their favor, to either improve their own comfort or possibly financial situation. The escalation in the abuse of our rules and regulations and of the residents has become an odor we can all detect."

Mikey,

Wow. I guess I should say that I am somewhat surprised as well as happy that we are on the same page.

I told Jeff a long time ago to be very careful and he should align himself with the right people and to watch out when playing politics because I am a force to be reckoned with. When he started playing dirty with me, I did with him also. What's right is right Mikey. You gotta understand that man. The Association properties remain a mess. This community is a mess. I want it straightened out. In my opinion, the only thing Harry cares about is the problems he caused to Norma Riss and to continue in the Bull "**POOP**" of it, and to make deals with this and that for personal gain.

I am glad to hear that in your eyes Jeff is no cream of the crop. We shall keep fighting here to best serve this community and our fellow residents.

Harry Williams and his tumultuous behavior as.....

Harry Williams and his tumultuous behavior as a public figure.

It has been reported to me that an altercation happened between Norma Padilla-Riss and Harry Williams on June 27th, 2008. Ms. Padilla-Riss stated that Harry Williams said to her, with a witness to verify, "I'm going to **FOCKERIZE** you up"

The police were called and responded. Incident number 127604-08

I'd like to know what's going on with this as I called Regional on a similar incident in the Admin office. My incident number is 126732-08

So, here we have more than one person complaining about the constant harassment of Harry Williams towards people and he is constantly engaging in the course of conduct of same, what is being done about this?

One time being fined in court for calling a Female Officer a "Bitch"

If there was a tape of it, what would make you think that the tape exists now?

That would be excellent though. It would show that Williams came right up to my face and it wasn't with a smile on his face.

What I also find is that the Police Officer may have improperly investigated the incident. I put a call into Chief Lewis to call me back at 8:31AM this morning and also advised Monroe County Control Center.

The Property Manager

would be able to account for the "tape" or why there isn't one- (Employee suicide again). I am so glad to see new members of our community stepping up- Welcome Mayor! I want to add also- The courts recognizes when someone "Invades your personal space it is an intimidation tactic". Anyone can read these posts- It takes guts to step up & say this happened to me too! I can't imagine what Harry thought he would accomplish by what he did. How are you supposed to talk to him if your not allowed to talk at the meetings? How do the employees in that office continue on working there with all his distractions? After hearing all this & seeing him berate Angella -I don't want to go to anymore meetings.

WRONG!

We must confront these bullies and put them on notice that we will not tolerate these "Thug" like tactics in our society and they have no place in our society if they conduct themselves like that.

I did not go in there to see Harry Williams. I was in there to see Jeff Schlaak.

I don't have anything to speak with Williams about either. He just interfered with why I was there.

The fact that he brought up something that was said on my forum was out of order also.

The fact that he yelled at an elderly woman (Angela) at a meeting just shows his integrity.....NONE.

IS THIS ONE WHO SHOULD EVEN BE ON THE BOARD OF A MULTI-MILLION DOLLAR CORPORATION?

I think not.

Remove him for cause at the next executive meeting as you did Carlo DePasquale and John Eden.

He is doing all this in his official capacity of a Board Member and the President and should be removed on that basis alone.

Telling people to "get the **FOCK** out" of the Admin Office is truly an "Abuse of Office" as well as an "Abuse of Power"

RESTORE THE INTEGRITY OF THE BOARD OF DIRECTORS!!!

Seems like alot of this stuff is going around this community. Many many people have witness these outbursts. Hard to get people to say what they have witnessed, they are afraid of losing their jobs. Sad isn't it. One day it will all come out and he will trip himself up. It's just a matter of time.

Don't ask me a question unless you want the truth.

That day is here! The matter of time thing is now. We don't live in a Communist state where one person is under the impression he is GOD or the sole Authority.

In my opinion, he is just one big maggot in a landfill and we don't need that here. We need integrity which he knows nothing about.

He is just a "Thug" with Power. This is what my fight is all about and it doesn't matter who it is.

Remove Harry Williams at the next Executive Meeting of the Board of Directors.

Cause for Removal of the Board of Directors of APCPPOA and..

Harry Williams, Jeff Schlaak and Attorney Randolph Borden were directly involved with the interference of the 2008 Elections of APCPPOA and were directly involved with the illegal disqualification of Candidate Norma Padilla-Riss.

Randolph Borden, an Attorney for APCPPOA and also an Officer of the Courts has put forth a letter that contains false and misleading statements with regard to Norma Padilla-Riss.

The remaining Board Members with the exception of Mrs. Karen White and Ms. Bernadette Bruno should be removed from the Board because they had actual knowledge of the unlawful actions against the best interest of APCPPOA and failing to address this in a timely manner.

A full investigation is warranted at this time and also into the fact of the unlawful removal of 4 prior Board Members being, Mr. Carlo DePasquale, Mr. John Eden, Mrs. Debra Vines and Mrs. Cindy Rametta.

Everything stated above is the truth.

Certain members of the Board and Jeff Schlaak, instead of cleaning up the community, harass and file complaints against individual residents.

Certainly NOT IN THE BEST INTEREST of the community.

I heard of another instance of Harry Williams yelling at a resident in the administration office.

An elder female resident said she went into the admin. office to conduct some business. Harry came out as she was speaking to the employee behind the desk. He became involved in the matter and started raising his voice to her. She in turn responded to him in kind, which is out of character for this person. Harry left the office. The employee behind the desk told the women not to be upset at what happened that she would take care of the business matter.

She did not mention the incident when it happened but had heard about other residents similar encounters with Harry and told the story.

Praise goes to the employee for calming the elder. Can you imagine working in an environment like that every day?

Why does it seem that Harry must get involved in the day to day business of residents conduct with the assoc.?

I believe that if complaint was filed with the FBI and Borden's name was dropped and connected to his past Federal Involvement, someone would be very interested.

Thanks for the comments, I think. Again, the problem is not with the staff (or Jeff - who is a trooper here trapped in awful circumstances), its with the entire system. We hired him because we felt he was the guy to work with everyone and support the Board - which at that time wanted positive changes and professed to seeing the big picture. We burned out one good property manager - and we are doing it again. The new Board is not even seeing the big picture and seems to once again be going no where so it is likely to get worse before it can begin to get better.

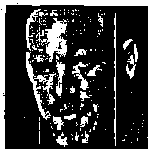

Did I mention that at my second BOD meeting I was sternly censured by an angry BOD - all of whom glared at me - and lectured for fifteen minutes by the attorney like a school boy for calling the association's style of leadership "a train wreck" in reference to the pre-school thing, in a web forum reply. They can't censure me now so I guess that means I can join the opposition. My only plea - again - lets keep it about politics and business, not personalities.

That must have been horrible (lecturing) I guess they were hoping you would walk out & quit! I have said it before I wouldn't last 2 weeks on the BOD I have short fuse & sometimes explode easily! It is nice to read your comments- It adds prospective to things- what happened & why did you only last 9 months?

I know when I was on the Board, Borden came over to me and put his finger on my chest twice. Put your hand on me again Borden and I won't just sit there this time asshole.....

You either Harry Williams.

Thing was, as close as Eden said he was with me, he never seconded a disciplinary motion I wanted brought forth.

With an after school program 21st Century School grant would allow funds for to higher a Certified Teacher for Homework Help!
Example Bethlehem Area School District receives between \$250,000-\$400,00 Yearly for this Their Socl-economics are similar even though they are considered a city.
As a community if we have the building & request Funds to operate the program we would have a good chance of getting it!
Our Board of Directors mis understood Dagmaris was qualified to handle the situation. No One Else comes even close- That's what makes me so mad!!!

Yes Art I was a volunteer teacher who instructed those children with learning disabilities- short attention spans-LOL
I view our current board similar to a group of first graders all screaming for recess & when told NO they can't imagine WHY
?

In my opinion Harry would & should be stood in the corner for disrespectful behavior towards the elder resident Angela

BUT OFF THEY GO TO SPEND OUR MONEY!

HARRY WILLIAMS BARKED AT ANGELA???

Well, given the fact that he called a female PMRPD Officer a bitch, screamed and cursed at Alma Ruiz-Smith's Husband in the Admin office and just acts like a plain Jackass, he should be removed for just being an ass.

Let's get Harry on his knees, pull on his pony tail. If his mouth opens up, you know what to do next.....

Harry's pony tail

Does he also wear a skirt?

Has anyone ever pulled on it?

Was he on his knees if someone did?

Did he enjoy it?

These and more questions could be answered at the Annual Meeting.

Stay tuned folks. The best is yet to come.....

Will Randy be there?

Will he have that distinct "rummy nose"?

This is appalling who ever suggested we hire Mr Schlaack should be investigated!

I agree.

You will find this interesting.

When Jeff Schlaack was the final candidate for the PM position the Directors insisted on an extensive background check.

When contract negotiations were completed by the Directors assigned to the task the background check was conducted.

Before the motion to hire the candidate was voted on the Directors questioned the results of the background check.

Harry Williams, who received the results, stated the background check came back good.

The Directors voted on the motion to hire Mr. Schlaack in the belief that there was a clear background check.

Were the true results withheld before the vote to hire?

Well, given the character of Harry Williams with respect to his outbursts, threats of violence, and felony conviction in which he lied about, would say that Jeff's background check may have been better than Harry's and in that sense it would be good in comparison.

Other than that.....GEEZ.....

I think I agree with you all....

Thanks for the comments, I think. Again, the problem is not with the staff (or Jeff - who is a trooper here trapped in awful circumstances), its with the entire system. We hired him because we felt he was the guy to work with everyone and support the Board - which at that time wanted positive changes and professed to seeing the big picture. We burned out one good property manager - and we are doing it again. The new Board is not even seeing the big picture and seems to once again be going no where so it is likely to get worse before it can begin to get better.

Did I mention that at my second BOD meeting I was sternly censured by an angry BOD - all of whom glared at me - and lectured for fifteen minutes by the attorney like a school boy for calling the association's style of leadership "a train wreck" in reference to the pre-school thing, in a web forum reply. They can't censure me now so I guess that means I can join the opposition. My only plea - again - lets keep it about politics and business, not personalities.

Hi Bob,

It came to my attention that you were disturbed by my presence on the forum. I know that there is a lack of trust there by everyone due to my role, but I didn't believe my joining would encourage you to so vehemently oppose it. That was never my intent, and so I am calling this a failed relations experiment and bowing out. I would still be more than willing to attempt to get the answers you requested, if you so desire, and you have my email if you need anything in the future. However, I won't be posting in your forums again. At any rate, thank you. I did get a few connections from it and hope to help those people with their concerns as well.

Most Sincerely,
Meg Watt

P.S. Seriously, try the enchilada recipe. REALLY good =)

Meg,

I do "tests" every now and then. This morning in the Admin Office was just a test. I want them to hear me LOUD AND CLEAR. Seems that they do. I hold no personal "grudge" with you. I do with the BOD and that shall not be suspended until I see results. We have a hardcore group that is emerging and our voices shall speak volumes. More and more of our voices shall be heard until there is affirmative action done. Action that best serves the community that we all love and enjoy. I feel that you are just being used by them as others have before you. THE ATTORNEY OF RECORD MUST GO. HARRY WILLIAMS MUST GO. THE MOCKS MUST GO. MARC WINTER MUST GO. THESE PEOPLE ARE IN IT FOR THEMSELVES AND DON'T GIVE A CRAP ABOUT OUR COMMUNITY

I am undecided about the others.

You don't live here and are not aware of the politics involved here for if you did, you would certainly be on our side of things. Just giving up like that is certainly not what I expected. A true fighter NEVER gives up. Once knowing what is going on, then chooses the side that is for doing the right thing by the people and for the people. No matter what the consequences are. I know this because it has ultimately cost me everything I ever had attained in my adult life. These pricks, thugs, losers have certainly made my life a living hell. That's why I wish them all a very horrible death and their families. They have certainly took mine away from me.

Since I am not a criminal and don't engage in any criminal activity, they have stripped me of everything else. One thing they have not managed to do which was their original intent was to shut me up. I will never shut up. I am for the people and will fight for the right things, the things that need to be done for the betterment of our society.

When people call me a felon, I laugh. How pathetically stupid these asses are.

I am not disturbed by you being on this forum, I just think it's a waste of your time, but, you shall see as time goes by.

Respects,
Bob Sciarrone

I'm moving this topic to Community talk for all to view. Any objections by the posters, contact me.

I believe it's important for everyone to view this and to allow others to see that Carolyn's site had merit. Not only did her site have merit but it was totally responsible for having some more properties cleaned up.

That's what we are about. The betterment of our community. If they will not take the initiative to clean up the properties themselves, then public embarrassment is necessary to obtain our goal.

I could give a rat's ass about a loudmouth or loudmouths that believe that we are here to destroy the community.

If Randolph T. Borden, Esq., the Board of Directors and Jeffrey Schlaack would get off their asses and resolve these PRIMARY issues that infact bring our property values on a spiral downward slope. we would not be here and their would not be much to dispute.

The fact that some properties, at least two that I can verify that owed money in excess of \$20,000.00 a piece is appalling.

Get off your asses and take care of the community!!

Meg,

Don't take things so personally. Nothing here is meant personally to you. It's meant for the position you hold. Remember that.

The BOD, in their capacity as individual public figures, are useless to the betterment of this community.

Jeff Schlaak in his capacity as a public figure as the Property Manager of APCPPA is as worthless as tits on a bull

I state this because I don't know these people on a personal level and don't care to either.

I know what they do or don't do in their public life as public figures and it doesn't speak volumes, only broken sentences and that can be proved.

So Meg, don't take this personal. We don't know you personally, only in your public status here.

Meg, when you are posting on here in your position as PR for the community we have every right to point out when the information provided is misinformation. I'm sorry that it upsets you but again as PR person for the community I would think it important to disseminate the correct facts. Anything else is only going to lead to the community being labeled even more negatively.

Life's journey is not to arrive at the grave safely in a well preserved body, but rather to skid in sideways, totally worn out, shouting "Holy \$&#!, what a ride!"

Everything I say is of course just my opinion unless stated otherwise.

Certain members of the Board and Jeff Schlaak, instead of cleaning up the community, harass and file complaints against individual residents.

Certainly NOT IN THE BEST INTEREST of the community.

I heard of another instance of Harry Williams yelling at a resident in the administration office.

An elder female resident said she went into the admin. office to conduct some business. Harry came out as she was speaking to the employee behind the desk. He became involved in the matter and started raising his voice to her. She in turn responded to him in kind, which is out of character for this person. Harry left the office. The employee behind the desk told the women not to be upset at what happened that she would take care of the business matter.

She did not mention the incident when it happened but had heard about other residents similar encounters with Harry and told the story.

Praise goes to the employee for calming the elder. Can you imagine working in an environment like that every day?

Why does it seem that Harry must get involved in the day to day business of residents conduct with the assoc.?

I believe that if complaint was filed with the FBI and Borden's name was dropped and connected to his past Federal involvement, someone would be very interested.

Let's do the Math here.

7 violations in 2006.

7 violations in 2007 with 2 repeated violations

22 violations in 2008

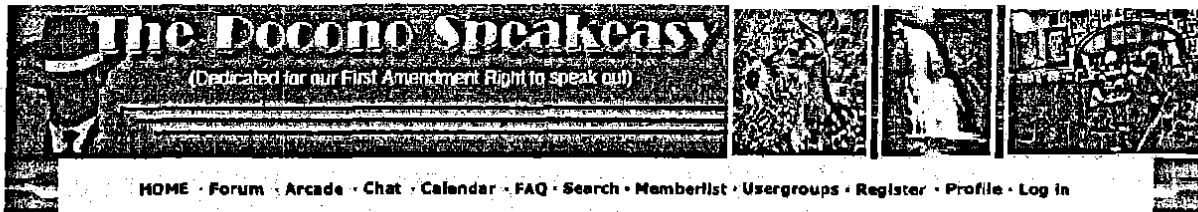

Hey Jeff Schlaack. Nice job on "Raising the Bar".....

The gates are constantly broken. Nice job on "Raising the Bar"

The amenities are disgraceful and in disrepair. Nice job on "Raising the Bar"

Some members of your Church are working here now. Friends and family members of the Admin team are on the payroll. What can a (I believe) 15 year old kid do in working in Maintenance

Again I say, Nice job on "Raising the Bar" here.

Certain members of the Board and Jeff Schlaak, instead of cleaning up the community, harass and file complaints against individual residents.

Certainly NOT IN THE BEST INTEREST of the community.

IF YOU DON'T CARE ABOUT THE BEST INTEREST OF THE COMMUNITY, WE DON'T NEED YOU AND WE DON'T WANT YOU.

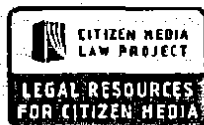

I tell it like it is, as it is.....and this Forum says it all!

I heard of another instance of Harry Williams yelling at a resident in the administration office.

An elder female resident said she went into the admin. office to conduct some business. Harry came out as she was speaking to the employee behind the desk. He became involved in the matter and started raising his voice to her. She in turn responded to him in kind, which is out of character for this person. Harry left the office. The employee behind the desk told the women not to be upset at what happened that she would take care of the business matter.

She did not mention the incident when it happened but had heard about other residents similar encounters with Harry and told the story.

Praise goes to the employee for calming the elder. Can you imagine working in an environment like that every day?

Why does it seem that Harry must get involved in the day to day business of residents conduct with the assoc.?

Now that we read all this bullshit, why does he have his private email on the community newspaper? He is a Board Member and is not to have any type of self gain. I feel that this is contrary to the by laws and Corporate Law and I want him removed for cause.

I want Keith Mock removed for not showing up for the last 5 meetings.

What the hell is going on here?

Keith Mock former Treasurer APCP

Is this true that Keith Mock was allowed to resign from being a treasurer because he withheld his Real Name?

I Don't Have Privileged Information

I made that observation, it just seemed logical to me. Do any of our Board Members ever get Bonded? There is a big difference between Keith & Emmett - A nicer way would have been Emmett "Keith" Mock.

There was a Superintendent of some school district- he had the same issue everyone knew him by

An officer of a corporation is one that should be trusted, especially a Treasurer. The fact that he suppressed this info is one big reason to remove him from the Board. If the board did not, the entire Board should be removed for allowing this to happen and not taking action against the person.

If you're on the BOD, you can do whatever you want:

unlawfully remove directors,

have the Attorney who was involved with the BOD in the unlawful disqualification of a Candidate (Ms. Norma Padilla-Riss) in the election and file a frivolous lawsuit against a resident. (Me)

Have a President that was caught in an apparent Auto theft ring and a "rat" to boot in order to get such a light sentence.

The entire BOD (Keith Mock, Edith Mock, Carol Lee Kidd, Marc Winter and Janet Harris) neglecting their fiduciary responsibility in an attempt to cover up the unlawful disqualification and putting forth a false and misleading document that was broadcast on the APCP Channel 80.

Having a Property Manager that conspired with them to have the Candidate disqualified.

Yes folks. This BOD is out of control.....

Please don't forget to include this in your ridiculous lawsuit, Jackasses!

I think I agree with you all....

Thanks for the comments, I think. Again, the problem is not with the staff (or Jeff - who is a trooper here trapped in awful circumstances), its with the entire system. We hired him because we felt he was the guy to work with everyone and support the Board - which at that time wanted positive changes and professed to seeing the big picture. We burned out one good property manager - and we are doing it again. The new Board is not even seeing the big picture and seems to once again be going no where so it is likely to get worse before it can begin to get better.

Did I mention that at my second BOD meeting I was sternly censured by an angry BOD - all of whom glared at me - and lectured for fifteen minutes by the attorney like a school boy for calling the association's style of leadership "a train wrack" in reference to the pre-school thing, in a web forum reply. They can't censure me now so I guess that means I can join the opposition. My only plea - again - lets keep it about politics and business, not personalities.

Hi Bob,
 It came to my attention that you were disturbed by my presence on the forum. I know that there is a lack of trust there by everyone due to my role, but I didn't believe my joining would encourage you to so vehemently oppose it. That was never my intent, and so I am calling this a failed relations experiment and bowing out. I would still be more than willing to attempt to get the answers you requested, if you so desire, and you have my email if you need anything in the future. However, I won't be posting in your forums again. At any rate, thank you. I did get a few connections from it and hope to help those people with their concerns as well.

Most Sincerely,
 Meg Watt
 P.S. Seriously, try the enchilada recipe. REALLY good =)

Meg,

I do "tests" every now and then. This morning in the Admin Office was just a test. I want them to hear me LOUD AND CLEAR. Seems that they do. I hold no personal "grudge" with you. I do with the BOD and that shall not be suspended until I see results. We have a hardcore group that is emerging and our voices shall speak volumes. More and more of our voices shall be heard until there is affirmative action done. Action that best serves the community that we all love and enjoy. I feel that you are just being used by them as others have before you. **THE ATTORNEY OF RECORD MUST GO. HARRY WILLIAMS MUST GO. THE MOCKS MUST GO. MARC WINTER MUST GO. THESE PEOPLE ARE IN IT FOR THEMSELVES AND DON'T GIVE A CRAP ABOUT OUR COMMUNITY**

I am undecided about the others.

You don't live here and are not aware of the politics involved here for if you did, you would certainly be on our side of things. Just giving up like that is certainly not what I expected. A true fighter NEVER gives up. Once knowing what is going on, then chooses the side that is for doing the right thing by the people and for the people. No matter what the consequences are. I know this because it has ultimately cost me everything I ever had attained in my adult life. These pricks, thugs, losers have certainly made my life a living hell. That's why I wish them all a very horrible death and their families. They have certainly took mine away from me.

Since I am not a criminal and don't engage in any criminal activity, they have stripped me of everything else. One thing they have not managed to do which was their original intent was to shut me up. I will never shut up. I am for the people and will fight for the right things, the things that need to be done for the betterment of our society.

When people call me a felon, I laugh. How pathetically stupid these asses are.

I am not disturbed by you being on this forum, I just think it's a waste of your time, but, you shall see as time goes by.

Respects,
Bob Sciarrone

I tell it like it is, as it is.....

The Pocono Mountain Regional Police Department falsified my accident report.

In history, the ones who were innocent always went through persecution and execution at the hands of those who were not only guilty of the same crimes but guilty of other more horrendous acts. The persecutors were always loud, always won over the populus and were also skilled at manipulation.....*proteuslizz*

I know that there is a lack of trust there by everyone due to my role, but I didn't believe my joining would encourage you to so vehemently oppose it. That was never my intent, and so I am calling this a failed relations experiment and bowing out. I would still be more than willing to attempt to get the answers you requested, if you so desire, and you have my email if you need anything in the future. However, I won't be posting in your forums again. At any rate, thank you. I did get a few connections from it and hope to help those people with their concerns as well.

Most Sincerely,

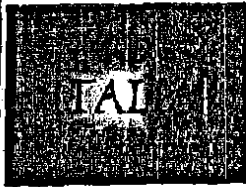

Meg Watt

P.S. Seriously, try the enchilada recipe. REALLY good =)

It is clear that Jeffrey Schlaack can do whatever the hell he wants to do and if you don't like it, you can just go to hell, or hire an Attorney.

Norma called me and stated that Jeff Schlaack started yelling at her and slammed the door shut in
the Admin office today when she went there.

I told her to call the police and have them file a report.

Let's do the Math here.

7 violations in 2006.

7 violations in 2007 with 2 repeated violations

22 violations in 2008

Hey Jeff Schlaack. Nice job on "Raising the Bar".....

The gates are constantly broken. Nice job on "Raising the Bar"

The amenities are disgraceful and in disrepair. Nice job on "Raising the Bar"

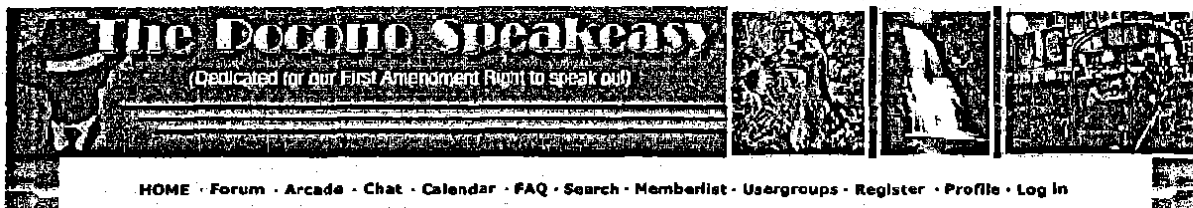

Some members of your Church are working here now. Friends and family members of the Admin team are on the payroll. What can a (I believe) 16 year old kid do in working in Maintenance

Again I say, Nice job on "Raising the Bar" here.

Dues and Maintenance 2009

Well folks,

It would seem that the Dues and Maintenance will go up by some \$200.00 for starters. Word has it that there is no light at the end of this tunnel, only bleak, black, dreary and horrible times ahead.

At least we can watch it on Channel 80.....

What needs to be done is to escrow the dues into one huge account, preferably at Penn Security so to bankrupt this corporation and get it over with already.

I think we've seen enough corruption. To get this in motion, call me, email me. Let's work together on this.

Hack Attempt!

Today at 3:54PM, the Administration Office of A Pocono Country Place Property Owners Association tried to hack into this forum.

I immediately notified my Attorney Mr. Stewart I. Rosenblum. He wrote all the information down and told me to call the police because that's a criminal offense and to keep him posted.

I called PMRPD who transferred my call to the Monroe County Control Center. I gave the info and they told me that I would get a call from the Police.

PMRPD Officer Sciarillo (sp) called and I gave him all the info. I shall also provide him with the documentation. I also told him I called my Attorney who told me to notify the Police.

I THOUGHT I HAD MADE THIS CLEAR THAT I AM NO LONGER FOOLING AROUND. I HAVE AN ATTORNEY AND I SHALL PROTECT MYSELF AGAINST ALL ABUSES.

Knowing that there was election tampering, Jeffrey Schlaak's friends working here, members of the Board intimidating, harassing residents, Board members with business addresses inside the community and in direct violations of the covenants, violations of our US Bill of rights, The Board making public false and inaccurate info on the TV channel, spending money on things we don't need, having no priorities whatsoever.....the list goes on.....I just felt like throwing up on all of them yesterday, except Bernie.

american woman,

First and foremost, welcome to the forum.

As I am interested in this, as well as all aspects of the betterment of this community, I called Security and got the same thing. I called again and waited. The busy signal runs out after 10 to 15 seconds late and then it goes to a ring. I spoke with the Dispatcher who was well aware of this and told me that when you call the number 894-5028 to press the # key. This will bypass the busy signal.

Well,

There is an apparent flaw in the new phone system, they are aware of it and nothing has been done to correct it. It gives the residents the false impression that the line is busy and in an emergency situation, the results could be deadly. To knowingly have a flaw in a Department such as Security which is now budgeted at approximately 1.5 million dollars a year is beyond ridiculous and it needs to be addressed and corrected immediately.

More proof that the Board and Jeffrey Schlaack are inadequate in their respective public duties as the leaders of this community.

My advise is to call Security and to call 911 also as a backup. They refuse to give us stats on crimes here. This is a fact when I called the head of Crime Watch and he abruptly hung up on me when I questioned him on something. His loss, our gain.

As with other issues that have been addressed as a result of this forum as well as Carolyn's former website, the only way that they will address these problems is to allow the public to know what we face here and how issues that are "kept in private" are not properly addressed or not at all.

I shall keep the public apprised of every issue that arises here in this community to insure that all issues are addressed and in a timely manner.

I also thank all the members that post these important issues on this website.

The "SpeakEasy" is not going anywhere. It shall remain here and deal with the issues as it always has.

My members shall not be intimidated and if they are in any fashion they should contact me immediately for the proper resolution.

Our numbers are growing along with our strength.

The Sunshine Act and APCPPOA Inc.

Well well well,

On every single deed on every single lot within the confines of APCPPOA's land includes this:

THIS DEED, made this ____ day of _____

In the year _____

Between A POCONO COUNTRY PLACE, INC., DEBTOR IN POSSESSION, a corporation organized and existing under and by virtue of the laws of the Commonwealth of Pennsylvania, having its registered office at P.O. Box 62, Mount Pocono, Pennsylvania hereafter called the Grantor,

So, this Corporation exists pursuant to a statute, which is law, is subject to the Sunshine Act.

Attorney Randolph T. Borden doesn't know what he's talking about with respect to this.

I am not laughing about the attempted hacking of my site from APCPPDA Admin. I take this extremely seriously and I am emotionally scarred by this attempt. The last attempt by someone was February of 2007. They were successful in the interruption of this site. Thank God that I made backups regularly and with the backups, we were able to overcome. Erox played a major role in the return of my forum and I will never forget that. he gave me some advise I will never forget to do, and have done since, on a regular basis.

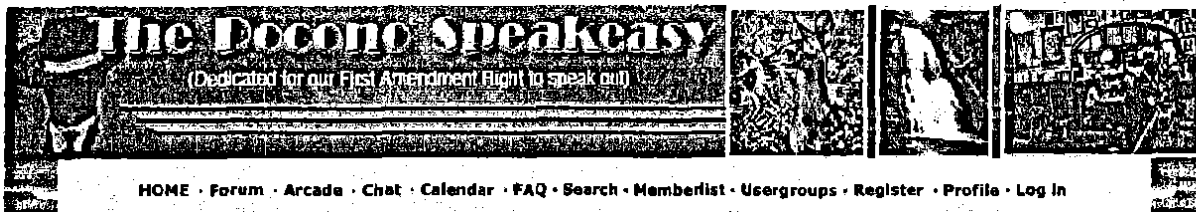

I am not laughing and I am extremely hurt by this recent attempt by APCPPDA's attempted hacking into this forum. I am pursuing criminal charges against them and I want to see if the police cooperate in which they should. If they don't, well then, my Attorney shall.

Hey Folks,

Some of you know my wife and she doesn't say very much about a lot of things however, when I showed her the report she said "How come this place wasn't shut down?"

She also stated that some of these violations could not have possibly been corrected during the inspection. I asked her if I can quote her on this and I would post her response. She said go ahead.

She has 13 plus years as a Manager and she is Certified In Food Safety, and handling.

So, my question is:

Who paid this Inspector off and why?

In compliance? NO POSSIBLE WAY!!

Question for PMRPD Officer Bashore

This is a very most serious question.

Do you, late at night, reach orgasm by masturbation at the thought of arresting me again?

Some very scary (for the average citizen) facts may come to light in the next few days.

Your intent is to put me behind bars for a long time for what I post about you and your Department.

What I post is the truth. You are not worthy of carrying a badge and upholding the law. You are a poor excuse for a Police Officer, a poor excuse for a human, an abuser, you use your office for personal gain, threatening and harassing the citizens who stand up to your abusiveness, and with this latest attempt of violating my liberty, I shall go out of my way to ensure hat you are stripped of your title, fired, humiliated as you did me and all this will be in the public eye for all to see.

You forced the Property Manager to issue me a citation?

You forced Security to file a false report?

I'm done being a victim of your sick, twisted, ridiculous and abusive game.

I tell it like it is, as it is.....

Read all about the corrupt Judges, DA, and some Officers of the PMRPD here in Monroe County, PA <http://ourpoconocommunity.com/phpBB2/viewtopic.php?t=3591> and <http://ourpoconocommunity.com/phpBB2/viewtopic.php?t=3076>
Even the Superior Court of PA is corrupt and condones corruption in Monroe County, PA

Hi Bob,

It came to my attention that you were disturbed by my presence on the forum. I know that there is a lack of trust there by everyone due to my role, but I didn't believe my joining would encourage you to so vehemently oppose it. That was never my intent, and so I am calling this a failed relations experiment and bowing out. I would still be more than willing to attempt to get the answers you requested, if you so desire, and you have my email if you need anything in the future. However, I won't be posting in your forums again. At any rate, thank you. I did get a few connections from it and hope to help those people with their concerns as well.

Most Sincerely,
Meg Watt

P.S. Seriously, try the enchilada recipe. REALLY good =)

Meg,

I do "tests" every now and then. This morning in the Admin Office was just a test. I want them to hear me LOUD AND CLEAR. Seems that they do. I hold no personal "grudge" with you. I do with the BOD and that shall not be suspended until I see results. We have a hardcore group that is emerging and our voices shall speak volumes. More and more of our voices shall be heard until there is affirmative action done. Action that best serves the community that we all love and enjoy. I feel that you are just being used by them as others have before you. THE ATTORNEY OF RECORD MUST GO. HARRY WILLIAMS MUST GO. THE MOCKS MUST GO. MARC WINTER MUST GO. THESE PEOPLE ARE IN IT FOR THEMSELVES AND DON'T GIVE A CRAP ABOUT OUR COMMUNITY

I am undecided about the others.

You don't live here and are not aware of the politics involved here for if you did, you would certainly be on our side of things. Just giving up like that is certainly not what I expected. A true fighter NEVER gives up. Once knowing what is going on, then chooses the side that is for doing the right thing by the people and for the people. No matter what the consequences are. I know this because it has ultimately cost me everything I ever had attained in my adult life. These pricks, thugs, losers have certainly made my life a living hell. That's why I wish them all a very horrible death and their families. They have certainly took mine away from me.

Since I am not a criminal and don't engage in any criminal activity, they have stripped me of everything else. One thing they have not managed to do which was their original intent was to shut me up. I will never shut up. I am for the people and will fight for the right things, the things that need to be done for the betterment of our society.

When people call me a felon, I laugh. How pathetically stupid these asses are.

I am not disturbed by you being on this forum, I just think it's a waste of your time, but, you shall see as time goes by.

Respects,
Bob Sciarone

The Pocono Mountain Regional Police Department falsified my accident report.

The persecutors were always loud, always won over the populus and were also skilled at manipulation.....*proteuslizz*

I'M TELLING ALL RIGHT NOW, DO NOT BECOME INTIMIDATED. YOU PEOPLE WILL BE SURPRISED TO SEE HOW DEEP THIS WILL GET AND WHO IS INVOLVED OUTSIDE OF THE COMMUNITY.

On recording:

You can record a conversation in person and not advise them in a public area. ie. inside the Admin Office in the public area but not in anyone's office. Once you go into an office, it becomes private and against the law.

The Welcome Center, but not in one of those cubicles

Anywhere that the public has access is OK. A front lawn, on the street, being stopped by the police or security, any amenity. If you're not sure, ask me.

DO NOT BE AFRAID AND BE CAREFUL.

I HAVE YOUR BACK!

BELIEVE ME FOLKS, I AM NOT PARANOID, JUST VERY CAREFUL

There have been four main names under discussion here since April, Williams, Scklaak, Borden and Watt and various others that are suspected of having interests in their personal finances only.

There are a number of obstacles created by the bod that we will have to negate. With their abuse of the by-laws and rules the bod has turned total control of PCP over to a small group of outsiders and denied the residents any voice in the operation of PCP.

This group of outsiders is not made up of dummies, they have a plan and they know what they are doing.

We have provided them with the tools, such as the newsletter, website and TV Station to

spread their convoluted versions of any events and acts that takes place in PCP. With these tools they plan to belittle and counteract any resistance they encounter.

For now we have to give the hired outsiders the benefit of doubt as to their reasons for what they do and what they have done. That they are "in it" for the legitimate paycheck is more likely, for they are; overpaid and inexperienced in dealing with private communities, ultimately they will move on. In the meantime they will do as told to preserve their employment position and to be used as scapegoats by the bod when the "pressure" from residents demands action.

The most obvious and visible person that has helped create and preserve this chaos is H. Williams our President. What he does and says seem to go much further then ego and power and that is our biggest problem. It is very easy to think or say finances are the reasons but very very difficult to prove.

PCP is a Cash Cow that renews that resource every year. Slimy and sleazy people, such as we are dealing with, will always look for and find "legitimate" ways to use all available finances in their favor, to either improve their own comfort or possibly financial situation. The escalation in the abuse of our rules and regulations and of the residents has become an odor we can all detect.

That they follow the posts here became a given about 2 weeks ago when Williams mentioned "ponytail" to Bob while Bob was visiting the administration office. They expect any major disruption of their ongoing abuses to begin and come from this forum. They feel we are a "small" group and they have plans in place to block the anticipated actions we will take.

We have to do the unexpected—this is where MIKEYP's plan will become very important for they are not prepared for an overwhelming response.

As we have seen Williams does not handle pressure well. His anger leads him into making statements and taking actions that show his true personality and I for one find his personality to be quite ugly.

Just a thought on attorneys;

I might be wrong but I feel the 10,000 or so people that live here are having their civil rights taken away on a daily basis by this bod. As has been stated before the "problems" in PCP are not new to private communities.

Does anyone think the ACLU might be interested in taking a look at our problems? With a favorable resolution it could affect all private communities and how they are governed. That is what the ACLU does.

No tendency is quite so strong in human nature as the desire to lay down rules of conduct for other people.

I took a look at the ACLU web site for PA.

Can they help us? Yes. Would they? I say it's a 50% chance.

Based on the amount of people living in PCP they might take an interest. If someone with the facts on what has transpired, and has dealt directly with the people involved in our problems were to call, the ACLU would either offer to help us or give good advice at the least.

We need an eloquent and knowledgeable spokesperson.

I know who I would nominate let's hope they volunteer for this call.

The last 8 words of their second paragraph seems to include situations like ours.

A link to the ACLU file a complaint page is below.

The ACLU of Pennsylvania is a private, non-profit membership organization. Our mission is to preserve and protect the civil liberties and civil rights guaranteed by the US Constitution,

Down loadable PDF

<http://www.morganlewis.com/pubs/Tax%20Exempt%20and%20Charitable%20Organizations.pdf>

Worst case- because Mock is on BOD the claim is they are tax exempt under APCPPPOA this would be an out right lie & probably a felony-several felonies with jail time
Best case- They applied for & got Tax Exempt status under Act 72 - The new law is supposed to help people.

We as the membership did not elect a bunch of crooks-LOL would be the best case!

Are these properties totally tax-exempt, or simply exempt from the transfer tax?

There were records posted of the Mocks transferring titles to trusts, with Marc Winter as trustee. Maybe it was the transfer to the trusts that was tax exempt.

OUR community wants to "raise the bar?"

August 1, 2008

Well folks....for those who attended the "Town Hall Meeting" last night, I heard it did not go well for our esteemed BOD or Mr. Schlaack.

Lies and more lies seemed to be the order of business.

Well.....I hear much talk of how the BOD and Mr. Schlaack want to "raise the bar" for our community.

I firmly believe that it won't be long before they ALL find that instead of raising the bar, THEY WILL FIND THEMSELVES BEHIND BARS! ☹

Thank you Mr. Silverence! Yes, I have heard that there are emergency meetings going on within APCPOA Board of Directors. I have also heard that they are laying total blame on the Attorney of Record, Mr. Randolph T. Borden, Esq.

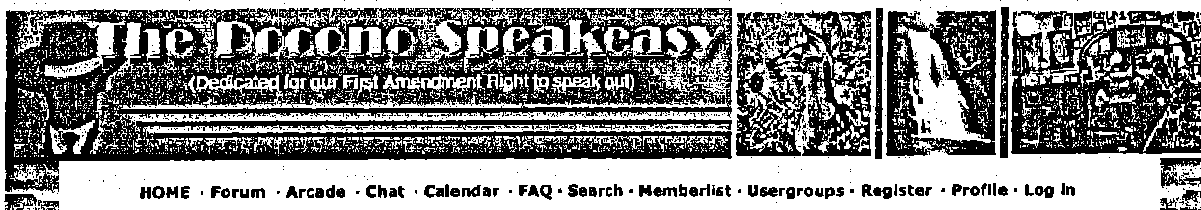

It will only take minimal time before the entire corporation fails.

One blaming the other. Typical of people that want to save their own skin.

Regarding the "Friends of APCP movement."

August 3, 2008

Well now.....It would seem that Mr. Mike Peterson and Ms. Kenny have yielded to the rederick of the criminal BOD.

OH.....they (the BOD) are "admitting" THEY made mistakes!

WONDERFUL!

Now they (the BOD) want a "dialog." One can only wonder why?

Jeff Schlaack states in the newsletter that there is an "illusion" of wrong doing with regard to the BOD and administration.

Yes Jeff, I guess you are the David Copperfield of APCP. The grand illusionist or magician of APCP.. NO WRONG DOING HERE!

Jeff says we should all work TOGETHER to help our community.. UH JEFF? I tried that and got thrown under a bus because of your corrupt BS.

Well, the Mocks and Winter have some tales to tell regarding their "illusion." And I wonder Jeff, what the results of Mr. Cole's residency will yield.

However LIES are not what illusion is all about. Illusion is deception of the eye and senses.

LIES however, are when one attempts to misdirect or offer a "truth" which cannot be substantiated by fact.

So.....Mr. Schlaack asks, in essence, that we should all work together to substantiate his lies and those of the criminal BOD.

What next Jeff? The moon landing was done on a back lot in Hollywood? ☺☺

I can't find that line about "Illusion of wrongdoing" in the latest newsletter...that's a laugh, since there is ample PROOF of wrongdoing, i.e. tampering with election, illegal adoption of By-Laws revisions, failure to bond all officers of the corporation...we don't even have to get into the strong suspicions about other things.

Next Meeting APCPPOA is 6 days away

So will tickets be sold to this momentous event where we will have speaking as a CHOICE!
No Actual business will be accomplished out in front of us- No one problem or issue will be resolved-

1. The By-Laws passed September 2007 - if they are challenged we must lodge the wrench in the spokes NOW. The September meeting might be too late
2. The tampering with the election process & removal of Tony!
3. The suffering Norma has had to endure - the blatant DISCRIMINATION & open hostility our neighbor has lived with!

I really don't want things the way they are. I am embarrassed tremendously by the arrogant illegal behavior of a few & feel they need to resign immediately before embarrassing our community even further!

Her signature says it all- I won't forget either how she makes me feel- TERRIBLE!

She should think long & hard before she burns her bridges!

Consumed by "Power & Greed" back stabbing & social climbing becomes second nature- and some have short memories as to W-H-Y they became involved in Community Politics.

Becoming a Board Member does not grant one the right to break the law nor should A-N-Y Board Member facilitate in breaking the law! Her statement breaks the law as I stated in another post at this forum.

Thank you for caring and everybody else that has something negative to say about what you are trying to accomplish. What we are all trying to accomplish for that matter!

I'm with you girl!

Yes Indeed,,,Improvements are being made

Indeed, improvements are being made. But at what cost?

Have the traffic lines been repainted? Have the pumps at the pools been refurbished? Has the computer system that handles our members finances been fully rebuilt as promised?

Answer?NO!

What I mention are just a few of the "issues" that have not been addressed.

What has been improved are "things" that have little priority to the membership. Flat screen TV's, NEW furniture for EVERY person working in administration, a TV channel, the "pond".

\$450,000 has been squandered. We NOW have to go into the capital improvement funds to the tune of \$300,000.

Don't take my word for it, ask Bernadette Bruno! She has the info!

How could we be in the black \$450,000 at the beginning of the year and be in the RED by 3/4 of a MILLION in September?

Improvements? Yeah.....BUT AT WHAT COST?

One more thing

If being in the RED by 3/4 of a MILLION is anyone's idea of improvement, then I suggest you run for PRESIDENT.

There are those, like myself, who would LOVE to be non-critical of the BOD and the administration. IF they did their job and ran this place like THEY cared!

HOWEVER....when GROSS INCOMPETENCE and INEPT FINANCIAL PLANNING are the "order" of the day here in APCP, I fail to see how our community could possibly benefit from such negligence.

One CANNOT spend OUR money like a bunch of DRUNKEN SAILORS and expect US to NOT criticize them!

NEGATIVE CRITISISM should be EXPECTED when those who are ELECTED and EMPLOYED to ADEQUATELY administer OUR community FAIL to do so.

WE must ALL come to realize that we should NO LONGER be "complacent" with a "QUID PRO QUO" BOD and administration. If they can't do the job? Then we should no longer be required to pay our dues! It's not like we are dealing with the IRS here. This is a collapsing CORPORATION!

Morally and ethically inept. NO LONGER WORTHY OF OUR SUPPORT.

Meg,

I do "tests" every now and then. This morning in the Admin Office was just a test. I want them to hear me LOUD AND CLEAR. Seems that they do. I hold no personal "grudge" with you. I do with the BOD and that shall not be suspended until I see results. We have a hardcore group that is emerging and our voices shall speak volumes. More and more of our voices shall be heard until there is affirmative action done. Action that best serves the community that we all love and enjoy. I feel that you are just being used by them as others have before you. THE ATTORNEY OF RECORD MUST GO. HARRY WILLIAMS MUST GO. THE MOCKS MUST GO. MARC WINTER MUST GO. THESE PEOPLE ARE IN IT FOR THEMSELVES AND DON'T GIVE A CRAP ABOUT OUR COMMUNITY

I am undecided about the others.

You don't live here and are not aware of the politics involved here for if you did, you would certainly be on our side of things. Just giving up like that is certainly not what I expected. A true fighter NEVER gives up. Once knowing what is going on, then chooses the side that is for doing the right thing by the people and for the people. No matter what the consequences are. I know this because it has ultimately cost me everything I ever had attained in my adult life. These pricks, thugs, losers have certainly made my life a living hell. That's why I wish them all a very horrible death and their families. They have certainly took mine away from me.

Since I am not a criminal and don't engage in any criminal activity, they have stripped me of everything else. One thing they have not managed to do which was their original intent was to shut me up. I will never shut up. I am for the people and will fight for the right things, the things that need to be done for the betterment of our society.

When people call me a felon, I laugh. How pathetically stupid these asses are.

I am not disturbed by you being on this forum, I just think it's a waste of your time, but, you shall see as time goes by.

Respects,
Bob Sciarrone

The Pocono Mountain Regional Police Department falsified my accident report.

In history, the ones who were innocent always went through persecution and execution at the hands of those who were not only guilty of the same crimes but guilty of other more horrendous acts. The persecutors were always loud, always won over the populus and were also skilled at manipulation.....*proteuslizz*

Harry's truck is there again. I believe he spends more time with Jeff than he does with his wife. Maybe it's love in the midst?

Please let me know if you see Harry and Jeff holding hands and/or kissing. It just might be another Oscar and Felix.....

Certain members of the Board and Jeff Schlaak, instead of cleaning up the community, harass and file complaints against individual residents.

Certainly NOT IN THE BEST INTEREST of the community.

IF YOU DON'T CARE ABOUT THE BEST INTEREST OF THE COMMUNITY, WE DON'T NEED YOU AND WE DON'T WANT YOU.

I heard of another instance of Harry Williams yelling at a resident in the administration office.

An elder female resident said she went into the admin. office to conduct some business. Harry came out as she was speaking to the employee behind the desk. He became involved in the matter and started raising his voice to her. She in turn responded to him in kind, which is out of character for this person. Harry left the office. The employee behind the desk told the women not to be upset at what happened that she would take care of the business matter.

She did not mention the incident when it happened but had heard about other residents similar encounters with Harry and told the story.

Praise goes to the employee for calming the elder. Can you imagine working in an environment like that every day?

Why does it seem that Harry must get involved in the day to day business of residents conduct with the assoc.?

I believe that if complaint was filed with the FBI and Borden's name was dropped and connected to his past Federal involvement, someone would be very interested.

If you're on the BOD, you can do whatever you want:

unlawfully remove directors,

have the Attorney who was involved with the BOD in the unlawful disqualification of a Candidate (Ms. Norma Padilla-Riss) in the election and file a frivolous lawsuit against a resident. (Me)

Have a President that was caught in an apparent Auto theft ring and a "rat" to boot in order to get such a light sentence.

The entire BOD (Keith Mock, Edith Mock, Carol Lee Kidd, Marc Winter and Janet Harris) neglecting their fiduciary responsibility in an attempt to cover up the unlawful disqualification and putting forth a false and misleading document that was broadcast on the APCP Channel 80.

Having a Property Manager that conspired with them to have the Candidate disqualified.

Yes folks. This BOD is out of control.....

Please don't forget to include this in your ridiculous lawsuit, jackasses!

If there was a tape of it, what would make you think that the tape exists now?

That would be excellent though. It would show that Williams came right up to my face and it wasn't with a smile on his face.

What I also find is that the Police Officer may have improperly investigated the incident. I put a call into Chief Lewis to call me back at 8:31AM this morning and also advised Monroe County Control Center.

The Property Manager

would be able to account for the "tape" or why there isn't one- (Employee suicide again).

I am so glad to see new members of our community stepping up-Welcome Mayor!

I want to add also- The courts recognizes when someone "Invades your personal space It is an intimidation tactic". Anyone can read these posts- It takes guts to step up & say this happened to me too!

I can't imagine what Harry thought he would accomplish by what he did. How are you supposed to talk to him if your not allowed to talk at the meetings? How do the employees in that office continue on working there with all his distractions? After hearing all this & seeing him berate Angella -I don't want to go to anymore meetings.

WRONG!

We must confront these bullies and put them on notice that we will not tolerate these "Thug" like tactics in our society and they have no place in our society if they conduct themselves like that.

12/03/200877

I did not go in there to see Harry Williams. I was in there to see Jeff Schlaak.

I don't have anything to speak with Williams about either. He just interfered with why I was there.

The fact that he brought up something that was said on my forum was out of order also.

The fact that he yelled at an elderly woman (Angela) at a meeting just shows his integrity.....NONE.

IS THIS ONE WHO SHOULD EVEN BE ON THE BOARD OF A MULTI-MILLION DOLLAR CORPORATION?

I think not.

Remove him for cause at the next executive meeting as you did Carlo DePasquale and John Eden.

He is doing all this in his official capacity of a Board Member and the President and should be removed on that basis alone.

Telling people to "get the **FOCK** out" of the Admin Office is truly an "Abuse of Office" as well as an "Abuse of Power"

Jeffrey Schlaack and APCP

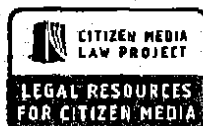

I went to Saturday's meeting (I was late).

A member approached me and stated that Jeffrey Schlaack has done quite a bit for us. So, in all fairness, I have compiled a list of what needed to be done and the timely results.

- 1.) The "K" gale has been broken for more than a year. Sometimes it works and that is only for the longest so far is a week straight.
- 2.) The "J" gate still is not functioning properly. I don't know when this started.
- 3.) The pond in front has not worked for 2+ years. Recently they did something with it and it still is not functioning properly.
- 4.) The "K" pool is in disrepair and that particular amenity looks disgusting. I am not speaking of the graffiti either. The "skimmers" don't function because the door is missing thereby allowing the debris on the top to remain in the pool.
- 5.) There has been no Road Work in 2 years. This was previously done every year.
- 6.) There was an accident in the front that destroyed one of the stone pillars on each side of the sign in the median by the flags. This has not been addressed or fixed. This happened some 3 months ago or more.
- 7.) The "E" pool area is a combination of several patch jobs and looks real pathetic. The grass area is mud. There should be no grass inside the pool area because all that crap gets into the pool.
- 8.) There has been no work done on any of the Association buildings that I know of.
- 9.) He has spent money to buy a TV station, 2 big flat screen TV's that are worthless to every single resident and upgraded the computer system that is not compatible with the existing system thereby causing a mountain of problems.
- 10.) He has conspired with a former employee that has embezzled funds from the Association (by way of a fuel card) to have Cindy and Debbie removed from the Board, unlawfully I will add.
- 11.) He did name himself a plaintiff in a frivolous lawsuit against me using the Association funds for what I post in this forum to be the truth.
- 12.) He did involve himself in the 2008 Election process with respect to Ms. Norma Riss via

Now that I'm thinking about this and the meeting I had with Jeff, I can say with no hesitation that Jeffrey Schlaack is a liar. He out and out lied to me with regards to the citation.

He is not worthy of the position he currently holds as Property Manager of A Pocono Country Place if he is going to lie to and harass the residents.

Life's Journey is not to arrive at the grave safely in a well preserved body, but rather to skid in sideways, totally worn out, shouting "Holy \$&#!, what a ride!"

Everything I say is of course just my opinion unless stated otherwise.

I'm moving this topic to Community talk for all to view. Any objections by the posters, contact me.

I believe it's important for everyone to view this and to allow others to see that Carolyn's site had merit. Not only did her site have merit but it was totally responsible for having some more properties cleaned up.

That's what we are about. The betterment of our community. If they will not take the initiative to clean up the properties themselves, then public embarrassment is necessary to obtain our goal.

I could give a rat's ass about a loudmouth or loudmouths that believe that we are here to destroy the community.

If Randolph T. Borden, Esq., the Board of Directors and Jeffrey Schlaack would get off their asses and resolve these PRIMARY issues that infact bring our property values on a spiral downward slope, we would not be here and there would not be much to dispute.

The fact that some properties, at least two that I can verify that owed money in excess of \$20,000.00 a piece is appauling.

Get off your asses and take care of the community!!

Cause for Removal of the Board of Directors of APCPPOA and..

Harry Williams, Jeff Schlaak and Attorney Randolph Borden were directly involved with the interference of the 2008 Elections of APCPPOA and were directly involved with the illegal disqualification of Candidate Norma Padilla-Riss.

Randolph Borden, an Attorney for APCPPOA and also an Officer of the Courts has put forth a letter that contains false and misleading statements with regard to Norma Padilla-Riss.

The remaining Board Members with the exception of Mrs. Karen White and Ms. Bernadette Bruno should be removed from the Board because they had actual knowledge of the unlawful actions against the best interest of APCPPOA and failing to address this in a timely manner.

A full investigation is warranted at this time and also into the fact of the unlawful removal of 4 prior Board Members being, Mr. Carlo DePasquale, Mr. John Eden, Mrs Debra Vines and Mrs. Cindy Rametta.

Everything stated above is the truth.

Certain members of the Board and Jeff Schlaak, instead of cleaning up the community, harass and file complaints against individual residents.

Certainly NOT IN THE BEST INTEREST of the community.

IF YOU DON'T CARE ABOUT THE BEST INTEREST OF THE COMMUNITY, WE DON'T NEED YOU AND WE DON'T WANT YOU.

I heard of another instance of Harry Williams yelling at a resident in the administration office.

An elder female resident said she went into the admin. office to conduct some business. Harry came out as she was speaking to the employee behind the desk. He became involved in the matter and started raising his voice to her. She in turn responded to him in kind, which is out of character for this person. Harry left the office. The employee behind the desk told the women not to be upset at what happened that she would take care of the business matter.

She did not mention the incident when it happened but had heard about other residents similar encounters with Harry and told the story.

Praise goes to the employee for calming the elder. Can you imagine working in an environment like that every day?

Why does it seem that Harry must get involved in the day to day business of residents conduct with the assoc.?

I believe that if complaint was filed with the FBI and Borden's name was dropped and connected to his past Federal involvement, someone would be very interested.

We burned out one good property manager - and we are doing it again. The new Board is not even seeing the big picture and seems to once again be going no where so it is likely to get worse before it can begin to get better.

Did I mention that at my second BOD meeting I was sternly censured by an angry BOD - all of whom glared at me - and lectured for fifteen minutes by the attorney like a school boy for calling the association's style of leadership "a train wreck" in reference to the pre-school thing, in a web forum reply. They can't censure me now so I guess that means I can join the opposition. My only plea - again - lets keep it about politics and business, not personalities.

That must have been horrible (lecturing) I guess they were hoping you would walk out & quit! I have said it before I wouldn't last 2 weeks on the BOD I have short fuse & sometimes explode easily! It is nice to read your comments- It adds prospective to things- what happened & why did you only last 9 months?

I know when I was on the Board, Borden came over to me and put his finger on my chest twice. Put your hand on me again Borden and I won't just sit there this time asshole.....

You either Harry Williams.

Thing was, as close as Eden said he was with me, he never seconded a disciplinary motion I wanted brought forth.

With an after school program 21st Century School grant would allow funds for to higher a Certified Teacher for Homework Help!
Example Bethlehem Area School District receives between \$250,000-\$400,00 Yearly for this Their Soci-economics are similar even though they are considered a city.
As a community if we have the building & request Funds to operate the program we would have a good chance of getting it!
Our Board of Directors mis understood Dagmaris was qualified to handle the situation. No One Else comes even close- That's what makes me so mad!!!

Yes Art I was a volunteer teacher who instructed those children with learning disabilities- short attention spans-LOL
I view our current board similar to a group of first graders all screaming for recess & when told NO they can't imagine WHY

In my opinion Harry would & should be stood in the corner for disrespectful behavior towards the elder resident Angela

BUT OFF THEY GO TO SPEND OUR MONEY!

HARRY WILLIAMS BARKED AT ANGELA????

Well, given the fact that he called a female PMRPD Officer a bitch, screamed and cursed at Alma Ruiz-Smith's Husband in the Admin office and just acts like a plain Jackass, he should be removed for just being an ass.

Let's get Harry on his knees, pull on his pony tail. If his mouth opens up, you know what to do next.....

Harry's pony tail

Does he also wear a skirt?

Has anyone ever pulled on it?

Was he on his knees if someone did?

Did he enjoy it?

These and more questions could be answered at the Annual Meeting.

Stay tuned folks. The best is yet to come.....

Will Randy be there?

Will he have that distinct "rummy nose"?

I agree.

You will find this interesting.

When Jeff Schlaack was the final candidate for the PM position the Directors insisted on an extensive background check.

When contract negotiations were completed by the Directors assigned to the task the background check was conducted.

Before the motion to hire the candidate was voted on the Directors questioned the results of the background check.

Harry Williams, who received the results, stated the background check came back good.

The Directors voted on the motion to hire Mr. Schlaack in the belief that there was a clear background check.

Were the true results withheld before the vote to hire?

Well, given the character of Harry Williams with respect to his outbursts, threats of violence, and felony conviction in which he lied about, would say that Jeff's background check may have been better than Harry's and in that sense it would be good in comparison.

Hi Bob,

It came to my attention that you were disturbed by my presence on the forum. I know that there is a lack of trust there by everyone due to my role, but I didn't believe my joining would encourage you to so vehemently oppose it. That was never my intent, and so I am calling this a failed relations experiment and bowing out. I would still be more than willing to attempt to get the answers you requested, if you so desire, and you have my email if you need anything in the future. However, I won't be posting in your forums again. At any rate, thank you. I did get a few connections from it and hope to help those people with their concerns as well.

Most Sincerely,

Meg,

I do "tests" every now and then. This morning in the Admin Office was just a test. I want them to hear me LOUD AND CLEAR. Seems that they do. I hold no personal "grudge" with you. I do with the BOD and that shall not be suspended until I see results. We have a hardcore group that is emerging and our voices shall speak volumes. More and more of our voices shall be heard until there is affirmative action done. Action that best serves the community that we all love and enjoy. I feel that you are just being used by them as others have before you. THE ATTORNEY OF RECORD MUST GO. HARRY WILLIAMS MUST GO. THE MOCKS MUST GO. MARC WINTER MUST GO. THESE PEOPLE ARE IN IT FOR THEMSELVES AND DON'T GIVE A CRAP ABOUT OUR COMMUNITY

I am undecided about the others.

You don't live here and are not aware of the politics involved here for if you did, you would certainly be on our side of things. Just giving up like that is certainly not what I expected. A true fighter NEVER gives up. Once knowing what is going on, then chooses the side that is for doing the right thing by the people and for the people. No matter what the consequences are. I know this because it has ultimately cost me everything I ever had attained in my adult life. These pricks, thugs, losers have certainly made my life a living hell. That's why I wish them all a very horrible death and their families. They have certainly took mine away from me.

Since I am not a criminal and don't engage in any criminal activity, they have stripped me of everything else. One thing they have not managed to do which was their original intent was to shut me up. I will never shut up. I am for the people and will fight for the right things, the things that need to be done for the betterment of our society.

When people call me a felon, I laugh. How pathetically stupid these asses are.

I am not disturbed by you being on this forum, I just think it's a waste of your time, but, you shall see as time goes by.

Respects,
Bob Sciarrone

If you're on the BOD, you can do whatever you want:

unlawfully remove directors,

have the Attorney who was involved with the BOD in the unlawful disqualification of a Candidate (Ms. Norma Padilla-Riss) in the election and file a frivolous lawsuit against a resident. (Me)

Have a President that was caught in an apparent Auto theft ring and a "rat" to boot in order to get such a light sentence.

The entire BOD (Keith Mock, Edith Mock, Carol Lee Kidd, Marc Winter and Janet Harris) neglecting their fiduciary responsibility in an attempt to cover up the unlawful disqualification and putting forth a false and misleading document that was broadcast on the APCP Channel 80.

Having a Property Manager that conspired with them to have the Candidate disqualified.

Yes folks. This BOD is out of control.....

Please don't forget to include this in your ridiculous lawsuit, jackasses!

Jeffrey Schlaack and APCP

I went to Saturday's meeting (I was late).

A member approached me and stated that Jeffrey Schlaack has done quite a bit for us. So, in all fairness, I have compiled a list of what needed to be done and the timely results.

1.) The "K" gate has been broken for more than a year. Sometimes it works and that is only for the longest so far is a week straight.

2.) The "J" gate still is not functioning properly. I don't know when this started.

3.) The pond in front has not worked for 2+ years. Recently they did something with it and it still is not functioning properly.

4.) The "K" pool is in disrepair and that particular amenity looks disgusting. I am not speaking of the graffiti either. The "skimmers" don't function because the door is missing thereby allowing the debris on the top to remain in the pool.

5.) There has been no Road Work in 2 years. This was previously done every year.

6.) There was an accident in the front that destroyed one of the stone pillars on each side of the sign in the median by the flags. This has not been addressed or fixed. This happened some 3 months ago or more.

7.) The "E" pool area is a combination of several patch jobs and looks real pathetic. The grass area is mud. There should be no grass inside the pool area because all that crap gets into the pool.

8.) There has been no work done on any of the Association buildings that I know of.

9.) He has spent money to buy a TV station, 2 big flat screen TV's that are worthless to every single resident and upgraded the computer system that is not compatible with the existing system thereby causing a mountain of problems.

10.) He has conspired with a former employee that has embezzled funds from the Association (by way of a fuel card) to have Cindy and Debbie removed from the Board, unlawfully I will add.

11.) He did name himself a plaintiff in a frivolous lawsuit against me using the Association funds for what I post in this forum to be the truth.

12.) He did involve himself in the 2008 Election process with respect to Ms. Norma Riss via

Now that I'm thinking about this and the meeting I had with Jeff, I can say with no hesitation that Jeffrey Schlaack is a liar. He out and out lied to me with regards to the citation.

He is not worthy of the position he currently holds as Property Manager of A Pocono Country Place if he is going to lie to and harass the residents.

I found him a bit of a twit too Bob. For any personnel to be rude to those they should be exercising customer service skills with is appalling but for a manager to ok it???? It's time for him to go.

Life's journey is not to arrive at the grave safely in a well preserved body, but rather to skid in sideways, totally worn out, shouting "Holy \$&#!, what a ride!"

Everything I say is of course just my opinion unless stated otherwise.
