COMES NOW, Keith Goodridge and Keith Goodridge Construction, by and through
their counsel of record, Crystal M. Henry and The VanderMay Law Firm, and complains and
alleges as follows:

COMMON FACTUAL ALLEGATIONS

1.

At all times relevant herein, Keith Goodridge is and was a natural person living just
outside the City of Lebanon, County of Linn, State of Oregon.

\\ \

\\ \

\\ \

1 FIRST AMENDED COMPLAINT (Defamation, IIED, Interference
with Business Relations)

2.

At all times relevant herein, Keith Goodridge Construction is and was a sole proprietorship wholly owned by Plaintiff Keith Goodridge, with its principal place of business located just outside the City of Lebanon, County of Linn, State of Oregon.

3.

At all times relevant herein, WYBS, Inc., is and was a Delaware corporation doing business under the fictitious name MerchantCircle, who owns the web site www.MerchantCircle.com, registered to do business in the State of California. Both WYBS, Inc. and MerchantCircle advertise a principal place of business at 201 Main Street, Suite 100, Los Altos, CA 94022. Neither entity name is registered to do business in the State of Oregon to the knowledge of Plaintiffs.

4.

Despite having a principal place of business within the State of California, Defendant WYBS, Inc., doing business as MerchantCircle (hereinafter "Defendant MerchantCircle") solicits web site business to local merchants in the State of Oregon and advertises on its web site that it performs such services for companies located in the State of Oregon.

5.

Under information and belief, Defendant John Doe 1 "Attorney" operates under the fictitious name "Attorney" and under information belief and as Defendant John Doe 1 "Attorney" states he has knowledge of persons who have done business with Plaintiffs, they probably reside in or around Linn County, Oregon. Plaintiffs reserve the right to amend this complaint to include the true identity of "Attorney" when it becomes known.

6.

On or about Thursday, July 10, 2008, Plaintiff Keith Goodridge Construction was bidding a construction job.

7.

While bidding this job, the potential client of Plaintiff Keith Goodridge Construction, Inc., informed Plaintiff Keith Goodridge that he had heard Plaintiff Keith Goodridge Construction had killed a teenager. Potential client told Plaintiff Keith Goodridge that he read this information on www.MerchantCircle.com, and would not do business with Plaintiffs unless he know how the teenagers death had occurred.

8.

Plaintiff then asked potential client to show him the posting. Plaintiff viewed the following posting on www.MerchantCircle.com on July 10, 2008:

“KEITH GOODRIDGE CONSTRUCTION UNSAFE-CAUSED DEATH OF TEENAGER

I am not at liberty to disclose all the facts as of this time, so I will share what information I can.

Keith A Goodridge Construction Manufactured/Built an outdoor arena located in Lebanon, Oregon. There was a teenager riding in the arena and due to lack of proper building materials and lack of solid foundation for the structure it collapsed when the teenager and the horse bumped one of the main beams on the corner of the structure. The teen was killed and the horse struggled free only to be humanely destroyed later due to injuries. Parents of the teenager are seeking an undisclosed amount for obvious reasons.

June 04, 2008 by Attorney”

9.

Plaintiffs then conducted a reasonable investigation into all prior horse arena construction performed by Plaintiffs. Plaintiffs have reasonably determined that the posting on www.MerchantCircle.com has no merit.

10.

The above referenced posting appears in no less than three distinct addresses on the Internet including <http://www.MerchantCircle.com/business/Goodridge.Keith.Construction.547-258-8920> attached hereto as exhibit A and incorporated by reference herein as a customer review; <http://www.MerchantCircle.com/business/Goodridge.Keith.Construction.547-258->

8920/rev... attached hereto as exhibit B and incorporated by reference herein as a consumer review; and at www.MerchantCircle.com/directory/Or-Lebanon-97355 as evidenced by exhibit C which is attached hereto and incorporated by reference herein as a directory.

11.

The www.MerchantCircle.com website only allows a third party to post a review in one place. Defendant therefore published the above referenced posting of its own volition on at least two occasions making defendant responsible for the content of the above referenced posting.

12.

Plaintiff viewed the following posting on www.MerchantCircle.com on December 12, 2008:

“KEITH GOODRIDGE BUSINESS SUCKS!!

Keith & Marg Goodridge screwed me over and I lost lots of money which will never be seen again. They are as crooked as they come. Their work is not safe, not fair and very high priced. They are so crooked they passed off an old raggy nasty looking half dead arabian horse to thir neighbors because they could not take care of it and feed it right. They have some of the ugliest horses ever by the way. Their neighbor had a barn built and they tryed to over charge her and the barn is built very weak and nothing more then a lean to with sides for a huge amount of money. I would not suggest anyone do business with them.

November 21, 2008 by ... in Albany, OR”

13.

After learning of the November 21, 2008 posting on MerchantCircle, Plaintiff by and through their counsel of record sent a letter to counsel for MerchantCircle in accordance with ORS 31.215 requesting a retraction.

14.

The posting was then removed from the MerchantCircle website, however, a retraction has not been published. As with the posting of June 4, 2008, the more recent posting of November 21, 2008 continued to be available on the Internet when one performed a google search through www.google.com in a different directory online than it was previously posted on.

15.

Defendant MerchantCircle has republished the above referenced November 21, 2008 statement and made it their own statement by having it appear in a different location than it was originally posted at. Like the June 1, 2008 posting referenced above, the November 21, 2008 posting appeared in at least three Internet locations including <http://www.MerchantCircle.com/business/Total.Pest.Control.541-258-8920/review/list> as evidenced by exhibit F attached hereto and incorporated by reference herein as a consumer review; <http://www.MerchantCircle.com/business/Total.Pest.Control.541-258-8920> evidenced by exhibit G attached hereto and incorporated by reference herein as a customer review; and www.MerchantCircle.com/directory/OR-Albany-97322 as shown on exhibit H attached hereto and incorporated by reference herein as a directory.

16.

Defendant is a publisher of the content of the above referenced postings because it assisted in the development of the content in the following ways:

1. Defendant republished the content in multiple directories as evidenced in exhibits A, B, and C.
2. Defendant actively encouraged and solicited postings as evidenced by exhibit D.
3. Defendant is solely responsible for the entire balance of the content of the web pages on which the above referenced posting appears.
4. Defendant allows merchant's who contract with Defendant to control the content of information about the merchant on its website by claiming a business but does not allow other merchants to control the content of information about them. See exhibit E.
5. Defendant has sought to protect the identity of the author of the above referenced posting. Plaintiffs initially requested this information from Defendant by letter on

July 15, 2008. Defendant has not provided the information to date. The information is collected by Defendant at the time a posting is made as evidenced by exhibit K attached hereto and incorporated by reference herein.

17.

Defendant published the above referenced posting in its directory for the purpose of using the content of the posting to facilitate defendant's advertising banner's appearance above the posting's listing in Google's search results for Keith Goodridge. See exhibit C.

18.

In addition to republishing content provided by third parties, Defendant has published false information about Plaintiffs and Plaintiffs' relationship with Defendant's website. Defendant is publishing a blog purported to be of Keith Goodridge Construction and inviting viewers to contact Keith Goodridge Construction through its website. See exhibit I attached hereto and incorporated by reference herein. Plaintiffs do not maintain a blog with MerchantCircle and cannot be contacted through them. The blog advertises deals and coupons however, Keith Goodrich Construction does not offer deals or coupons.

FIRST CLAIM FOR RELIEF
(Defamation: Against Defendant MerchantCircle)

COUNT ONE

19.

Plaintiffs incorporate paragraphs 1-18 as if fully incorporated and set forth herein.

20.

After learning of the June 4, 2008 posting on www.MerchantCircle.com, Plaintiffs, by and through their counsel of record, sent a certified mail and regular U.S. mail letter to MerchantCircle at their principal place of business as listed on their web site, 201 Main Street, Suite 100, Los Altos, CA 94022 in accordance with ORS 31.215.

\\ \

21.

After learning of the November 21, 2008 posting on MerchantCircle.com, Plaintiff sent a letter certified mail and regular U.S. Mail letter to counsel for MerchantCircle in accordance with ORS 31.215.

22.

The return receipt for the for the certified mailing described in paragraph twenty (20) was received by counsel for Plaintiffs on July 23, 2008 and was apparently signed by a "Nava Bromberger," though no date of delivery was acknowledged by that individual. The return receipt was received July 23, 2008, back at the offices of The VanderMay Law Firm, indicating that this notice was received by Defendant MerchantCircle no later than July 22, 2008. Despite the requests for corrections or retractions at least as conspicuous as the original posting, no such corrections or retractions have been made by Defendant MerchantCircle.

23.

As www.MerchantCircle.com is an Internet web site that is not password protected, it is opened to the public and has therefore been published to third persons. This can be substantiated by the "activity tracker" icon published in the lower right-hand corner of the web page.

24.

Plaintiffs, under information and belief, do not believe that this was a privileged communication despite an assertion that this was made by an individual identifying himself as "Attorney," as this information was publically available and not made by an individual who is an identified public official subject to immunity under Oregon or Federal Law.

25.

After the two week period which Defendant MerchantCircle had to remove this information from their web site in order to be subject to general damages under Oregon law, this information is still available when one performs a google search through www.google.com in a different directory

online than it was previously posted on. Plaintiffs, under information and belief, assert that Defendant MerchantCircle has effectively republished the statement posted by "Attorney" and made it their own statement by having it appear in a different location than it was originally posted on.

26.

As Defendant MerchantCircle is a web site encouraging the posting of reviews of local merchants which adds value to Defendant MerchantCircle's website as a business review service, any immunity it might receive under applicable law is lost as this company profits from the postings themselves.

27.

Under information and belief of Plaintiffs, Plaintiffs have suffered damage to their reputation and business in the following ways:

- A. Potential clients of Plaintiff Keith Goodridge Construction have brought up the posting on MerchantCircle.com;
- B. Plaintiff Keith Goodridge's and Plaintiff Keith Goodridge Construction's reputation in the community has been harmed by this posting;
- C. Plaintiffs have noticed an extreme decrease in the amount of business that Plaintiffs have been even able to bid for, let alone obtain;
- D. Plaintiff Keith Goodridge has suffered emotional distress as a result of the defamatory statement by Defendant MerchantCircle;
- E. Plaintiffs have had to divert a large amount of time and resources to the investigation and prosecution in this claim;
- F. And all damages continue to accrue in an amount to be proven at trial.

\\

\\

\\

28.

As a result of Defendant MerchantCircle's failure to print a retraction in this matter, Plaintiffs request general damages in the amount of \$1,000,000.00.

SECOND CLAIM FOR RELIEF
(Defamation: Against Defendant John Doe 1 "Attorney")

29.

Plaintiffs incorporate paragraphs 1 through 18 and 20 through 28 as if fully incorporated and set forth herein.

30.

As described above in paragraph eight (8) above, a posting was made on the Internet by Defendant John Doe 1 "Attorney" on or about June 4, 2008, which was discovered by Plaintiffs Keith Goodridge and Keith Goodridge Construction, Inc. on or about July 10, 2008.

31.

After the reasonable investigation of the content of the posting made by Defendant John Doe 1 "Attorney" on the www.MerchantCircle.com web site, Plaintiffs, under information and belief, assert the posting to be false.

32.

Defendant John Doe 1 "Attorney" posted the alleged defamatory statement on www.MerchantCircle.com, an Internet web site that is not password protected and is open to the public. The statement therefore has been published to third persons. This can be substantiated by the "activity tracker" icon published in the lower right-hand corner of the Internet web page.

33.

Under information and belief of Plaintiffs, Plaintiffs have suffered damage to their reputation and business in the following ways:

- A. Potential clients of Plaintiff Keith Goodridge Construction have brought up the posting made by Defendant John Doe 1 "Attorney" on MerchantCircle.com;

- B. Plaintiff Keith Goodridge and Plaintiff Keith Goodridge Construction reputation in the community has been harmed by this posting of Defendant John Doe 1 “Attorney;”
- C. Plaintiffs have noticed an extreme decrease in the amount of business that Plaintiffs have been even able to bid for, let alone obtain;
- D. Plaintiff Keith Goodridge has suffered emotional distress as a result of the defamatory statement by Defendant John Doe “Attorney;”
- E. Plaintiffs have had to divert a large amount of time and resources to the investigation and prosecution in this claim;

34.

Plaintiffs request general damages against Defendant John Doe 1 “Attorney” in the amount of \$1,000,000.00.

THIRD CLAIM FOR RELIEF

(Intentional Infliction of Emotional Distress: Plaintiff Keith Goodridge against Defendant MerchantCircle)

35.

Plaintiffs incorporate paragraphs 1 through 18, 20 through 28, and 30 through 34 as if fully incorporated and set forth herein.

36.

As a result of the posting described in paragraph eight (8) and its subsequent republication by Defendant MerchantCircle, Plaintiff Keith A. Goodridge has suffered emotional distress in the form of grief, shame, humiliation, embarrassment, anger, chagrin, disappointment, and worry which has physically manifested itself as loss of sleep and a lack of energy.

\\ \

\\ \

\\ \

37.

Plaintiff Keith Goodridge alleges that Defendant MerchantCircle intended to inflict severe mental or emotional distress upon Plaintiff Keith Goodridge by republishing the false statement regarding the death of a teenager in another directory on their web site.

38.

Plaintiff Keith A. Goodridge alleges that the republication by Defendant MerchantCircle that Plaintiff Keith Goodridge was responsible for the death of a teenager and a horse is an extraordinary transgression of the boundaries of socially tolerable conduct and exceeds any reasonable limit of social toleration which has caused Plaintiff severe emotional distress.

39.

Plaintiff Keith A. Goodridge alleges that he is a person of ordinary sensibilities, and that only through the extreme content of these postings has Plaintiff felt severe emotional distress.

40.

Plaintiff Keith A. Goodridge hereby demands \$100,000.00 or damages in the amount to be proven at trial.

FOURTH CLAIM FOR RELIEF

(Intentional Infliction of Emotional Distress: Plaintiff Keith Goodridge against Defendant John Doe 1 "Attorney")

41.

Plaintiffs incorporate paragraphs 1 through 18, 20 through 28, 30 through 34, and 36 through 40 as if fully incorporated and set forth herein.

42.

As a result of the posting by Defendant John Doe 1 "Attorney" and its subsequent republication by MerchantCircle, Plaintiff Keith A. Goodridge has suffered emotional distress in the form of grief, shame, humiliation, embarrassment, anger, chagrin, disappointment, and worry which has physically manifested itself as loss of sleep and a lack of energy.

43.

Plaintiff Keith Goodridge alleges that Defendant John Doe 1 "Attorney" intended to inflict severe mental or emotional distress upon Plaintiff Keith Goodridge by publishing the false statement regarding the death of a teenager on www.MerchantCircle.com.

44.

Plaintiff Keith A. Goodridge alleges that the publication by Defendant John Doe 1 "Attorney" that Plaintiff Keith A. Goodridge was responsible for the death of teenager and a horse is an extraordinary transgression of the boundaries of socially tolerable conduct and exceeds any reasonable limit of social toleration which has caused Plaintiff severe emotional distress.

45.

Plaintiff Keith A. Goodridge alleges that he is a person of ordinary sensibilities, and that only through the extreme content of this posting has Plaintiff felt severe emotional distress.

46.

Plaintiff Keith A. Goodridge hereby demands \$100,000.00 or damages in the amount to be proven at trial.

FIFTH CLAIM FOR RELIEF

(Tort of Interference with Business Relations: Plaintiff Keith Goodridge Construction against Defendant MerchantCircle)

47.

Plaintiffs incorporate paragraphs 1 through 18, 20 through 28, 30 through 34, 36 through 40, and 42 through 46 as if fully incorporated and set forth herein.

48.

As a result of the Internet posting alleging the death of a teenager against Keith Goodridge Construction and the republication by Defendant MerchantCircle in a different directory of their web site, this information is still visible to the public through google searches, which indicates the intent

\\

of Defendant MerchantCircle to induce or otherwise cause third persons not to enter into or continue business relationships with Keith Goodridge Construction.

49.

Whether or not direct intent of Defendant MerchantCircle's interference with Plaintiff Keith Goodridge Construction business is produced, it can be inferred from the fact that MerchantCircle (by having more information available on its directory web pages) will receive more "hits" for each part of its web site relating to Keith Goodridge Construction, which prioritizes MerchantCircle's business in a search engine upwards and gets Defendant MerchantCircle a more respectable placement within those search engines, the defamatory postings against Plaintiff Keith Goodridge Construction and Plaintiff Keith Goodridge, have continued to produce benefit for Defendant MerchantCircle.

50.

Plaintiff Keith Goodridge Construction alleges that the actions by Defendant MerchantCircle have in fact reduced Plaintiff Keith Goodridge Construction's business and profitability.

51.

Plaintiff Keith Goodridge Construction alleges that Defendant MerchantCircle has no privilege that can assert to interfere with Plaintiff Keith Goodridge Construction's business relations.

52.

As a result of the foregoing, Plaintiff Keith Goodridge Construction has suffered damages in the amount of \$1,000,000.00 or an increased amount to be proven at trial.

SIXTH CLAIM FOR RELIEF

(Tort of Interference with Business relations: Plaintiff Keith Goodridge Construction against Defendant John Doe 1 "Attorney")

53.

Plaintiffs incorporate paragraphs 1 through 18, 20 through 28, 30 through 34, 36 through 40, 42 through 46, and 48 through 52 as if fully incorporated and set forth herein.

54.

As a result of the posting alleging the death of a teenager against Plaintiff Keith Goodridge Construction by Defendant John Doe 1 "Attorney" which is still visible to the public through google searches, the intent of Defendant John Doe 1 "Attorney" is clear to induce or otherwise cause third persons not to enter into or continue business relationships with Plaintiff Keith Goodridge Construction.

55.

Whether or not direct intent of Defendant John Doe 1 "Attorney" interference with Plaintiff Keith Goodridge Construction's business is produced, it can be inferred from the fact that Defendant John Doe 1 "Attorney" has informed the public of a false statement that Plaintiff was responsible for killing a teenager that Defendant intended to interfere with Plaintiff Keith Goodridge Construction.

56.

Plaintiff Keith Goodridge Construction alleges that the actions by Defendant John Doe "Attorney" have in fact reduced Plaintiff Keith Goodridge Construction's business and profitability.

57.

Plaintiff Keith Goodridge Construction alleges that Defendant John Doe "Attorney" has no privilege that they can assert to forgive interference with Plaintiff Keith Goodridge Construction, Inc.'s business relations.

58.

As a result of the foregoing, Plaintiff Keith Goodridge Construction has suffered damages in the amount of \$1,000,000.00.

WHEREFORE, Plaintiffs pray for relief as follows:

For Plaintiffs' first claim for relief against Defendant MerchantCircle as follows:

1. For economic and non-economic damages of \$1,000,000.00;

KEITH GOODRIDGE CONSTRUCTION UNSAFE CAUSED DEATH OF TEENAGER

I am not at liberty to disclose all the facts as of this time, so I will share what information I can.
Keith A Goodridge Construction Manufactured/Built an outdoor arena located in Lebanon, Oregon. There was a teenager riding in the arena and due to lack of proper building materials and lack of solid foundation for the structure it collapsed when the teenager and the horse bumped one of the main beams on the corner of the structure. The teen was killed and the horse struggled free only to be humanely destroyed later due to injuries. Parents of the teenager are seeking an undisclosed amount for obvious reasons.

KEITH GOODRIDGE CONSTRUCTION

I am the neighbor who had the barn built. Actually it was an addition to a barn that we were building ourselves. It is a small exercise arena that we use. We are not unhappy with the work performed. We bought a horse from them in 2005 and asked to have the Arab mare as a companion to the horse we bought. It was not due to them not being able to care for her. I have seen her stallions and they have very beautiful studs. They did remodel work for us when we first came over to take care of my husband's parents estate and did a beautiful job. If you check prices of most construction I believe you will find that they are charging similar amounts as other contractors.

KEITH GOODRIDGE BUSINESS SUCKS!!

Keith & Marg Goodridge screwed me over and I lost lots of money which will never be seen again. They are as crooked as they come. Their work is not safe, not fair and very high priced. They are so crooked they passed off an old raggy nasty looking half dead arabian horse to their neighbors because they could not take care of it and feed it right. They have some of the ugliest horses ever by the way. Their neighbor had a barn built and they tried to over charge her and the barn is built very weak and nothing more than a lean to with sides for a huge amount of money. I would not suggest anyone do business with them.
