CASE NO.: BC410598

FIRST AMENDED COMPLAINT FOR:

13 Plaintiff,

1. Libel;
2. Invasion of Privacy - False Light;
3. Intentional Interference With a Prospective Economic Advantage; and
4. Breach of Contract

14 v.

15 COURTNEY MICHELLE LOVE, an  
16 individual; and DOES 1 through 25, inclusive,  
17 Defendants.

18  
19  
20 Plaintiff Dawn Simorangkir, aka Dawn Younger-Smith, aka Boudoir Queen ("Simorangkir"),  
21 an individual, hereby alleges as follows:

22  
23 **INTRODUCTION**

24 1. Simorangki made the grave mistake of doing business with defendant Courtney  
25 Michelle Love ("Love"). Simorangkir is an up and coming fashion designer, who through hard  
26 work, sweat and tears, has been able to fulfill her dream of owning her own small business. In 2008,  
27 Love approached Simorangkir about having Simorangkir design clothing and apparel for Love.

1 Little did Simorangkir know that by entering into Love's line of vision, Simorangkir would become  
2 the latest victim of Love's volatile personality, hair trigger temper, and malicious and tortious  
3 behavior. Whether caused by a drug induced psychosis, a warped understanding of reality, or the  
4 belief that her money and fame allow her to disregard the law, Love has embarked in what is nothing  
5 short of an obsessive and delusional crusade to terrorize and destroy Simorangkir, Simorangkir's  
6 reputation and her livelihood. Simply put, Love's conduct is an egregious violation of the law. In  
7 addition to spreading vile and vicious lies about Simorangkir through marathon rants in multiple  
8 public forums, online marketplaces where Simorangkir conducts business, and to Simorangkir's  
9 clients and others in the fashion industry, Love has gone as far to threaten Simorangkir's life. Love's  
10 approach is not subtle. In particular, Love publicly made the menacing and disturbing statement that  
11 Simorangkir will be "**hunted til your dead.**"

12         2. In furtherance of Love's plot to destroy Simorangkir, Love has publicized malicious  
13 and false statements that Simorangkir **sold drugs**, is a **drug addict**, has a history of **dealing cocaine**,  
14 has a history of **assault and burglary**, has a record of **prostitution**, has committed **grand theft**, that  
15 she **stole** cash and goods from Love, has engaged in **felonious behavior**, **lied**, **embezzled money**,  
16 has committed **blackmail**, was deemed an **unfit parent**, **lost custody of her child**, is a **racist** and  
17 **homophobe**, has outstanding **warrants for her arrest**, that the Austin police confiscated Love's  
18 property from her home, and that she is a **danger to society**.

19         3. The sheer volume of animosity directed towards Simorangkir coupled with Love's  
20 open, cavalier and outspoken motivations, demonstrate that Love is determined to deal out her brand  
21 of retribution to Simorangkir, someone who is guilty of nothing more than doing business with Love.  
22 By using her fame and influence to reach millions of people, Love has achieved her goal of  
23 destroying Simorangkir's small business and causing irreparable damage to Simorangkir's name and  
24 reputation. Love's celebrity, however, does not cloak Love with impunity to ruin others for sport.  
25 Unfortunately, Love must learn this the hard way. Accordingly, Simorangkir seeks not only  
26 compensatory damages, but also punitive damages in order to deter Love from repeating these  
27 horrendous acts.

28

PARTIES

1  
2           4.     Simorangkir is, and at all times herein mentioned was, an individual residing in  
3 Austin, Texas.

4           5.     Simorangkir is informed and believes, and thereon alleges, that Love is, and at all  
5 times herein mentioned was, an individual residing in Los Angeles County, California.

6           6.     The true names and capacities, whether individual, corporate, associate or  
7 otherwise of the defendants named herein as DOES 1 through 25, inclusive, are unknown to  
8 Simorangkir who therefore sues said defendants by such fictitious names. Simorangkir alleges on  
9 information and belief that each of the defendants, including those designated as a DOE, are  
10 responsible for the events alleged herein and the damages caused thereby as a principal, agent, co-  
11 conspirator or aider and abettor. Simorangkir will seek leave of this Court to amend this Complaint  
12 to allege the true names and capacities of such defendants when the same have been ascertained.

13           7.     Simorangkir alleges on information and belief that defendants, at all times relative to  
14 this action, were the agents, servants, partners, joint venturers and employees of each of the other  
15 defendants and, in doing the acts alleged herein, were acting with the knowledge and consent of each  
16 of the other defendants in this action.

17           8.     Love and DOES 1 through 25 are hereinafter collectively referred to as  
18 "Defendants."

19           9.     This Court is the proper court for trial of this matter because defendant Love resides  
20 in Los Angeles County, California, and the acts and occurrences alleged herein occurred in Los  
21 Angeles County, California. In particular, Simorangkir is informed and believes, and thereon  
22 alleges, that the defamatory statements alleged herein, were made by Defendants, and each of them,  
23 in Los Angeles, California and published on Internet websites, accessible and read by people in  
24 California and around the world, or re-published to residents of California.

1           18.     Around the same time, Love inexplicably began exhibiting an intense level of  
2 animosity towards Simorangkir that has gone well beyond what any reasonable person would  
3 consider acceptable behavior. That is, Love has mounted a malicious campaign to not only terrorize  
4 Simorangkir, but to ruin and destroy her reputation and livelihood.

5           19.     Love's continued attempts to contact Simorangkir have been nothing short of  
6 obsessive. Love has sent Simorangkir multiple emails and left rambling messages on Simorangkir's  
7 voicemail.

8           20.     These communications, include not only delusional accusations and lies, but threats  
9 of harm. Recently, Love has publicly warned Simorangkir not to "[f]uck with my wradrobe or you  
10 willend up in a circle of corched eaeth hunted til your dead." (Emphasis added).

11          21.     Love made her intentions clear. In one of rambling and combative voicemail, Love  
12 threatened to "blacklist" Simorangkir and indicated that she would be removed from Etsy. Love  
13 further made a highly unreasonable demand that Simorangkir send Love two dresses per day for the  
14 next ten days.

15          22.     Upon information and belief, that Simorangkir did not comply with Love's ultimatum  
16 that Simorangkir fabricate and send Love two dresses per day, triggered Love to follow through with  
17 her threat of "blacklisting" Simorangkir.

18          23.     Determined to harass and ruin Simorangkir, Love escalated her assault through the  
19 constant barrage of malicious, false, and defamatory statements in various public forums and directly  
20 to Etsy, Simorangkir's clients and others in the fashion industry. In addition to posting entries on her  
21 MySpace blog, Love has posted comments on Simorangkir's Etsy feedback page and on  
22 [www.twitter.com](http://www.twitter.com) ("Twitter"), a popular online community.

23          24.     Upon information and belief, MySpace subsequently decided to feature Love's blog  
24 on its main MySpace music page. As a result, Love's false, and defamatory statements gained even  
25 more exposure. Upon information and belief, Love was unwilling to remove these statements  
26 despite the fact that her blog would be featured on MySpace's main music page.

27          25.     Simorangkir is informed and believes, and thereon alleges, that Love contacted Etsy  
28

1 directly in an effort to have Simorangkir removed and banned from that website. Simorangkir is  
2 informed and believes, and thereon alleges, that Love has gone as far as to send emails to several of  
3 Simorangkir best customers and to others in the fashion industry containing false and defamatory  
4 statements.

5 26. Despite multiple requests, Love failed to remove any of the false and defamatory  
6 statements from either Love's MySpace blog, Twitter, or Etsy. Furthermore, Love ignored  
7 Simorangkir's request that Love publicly acknowledge that her statements were false.

8 27. Rather, Love sent Simorangkir multiple messages through Etsy asking Simorangkir's  
9 permission to purchase items from Simorangkir's Boudoir Queen line. In fact, Love and her agent  
10 Ava Stander attempted to purchase several thousand dollars worth of Boudoir Queen garments from  
11 Simorangkir through Etsy.

12 **FIRST CAUSE OF ACTION**

13 **(For Libel, against all defendants)**

14 28. Simorangkir re-alleges herein by this reference each and every allegation contained in  
15 paragraphs 1 through 27, inclusive, of this Complaint as if set forth fully herein.

1           30.     Apparently, Love was not finished. On or about March 18 and 20, 2009, Love posted  
2 more false and defamatory statements about Simorangkir on Simorangkir's Etsy feedback page, true  
3 and correct copies of which are attached hereto as Exhibit "2". Again, Love claimed that  
4 Simorangkir is a thief, stole cash and goods from Love, and is a drug addict and a drug dealer. More  
5 specifically, Love posted the following false statements, among others, on Etsy about or concerning  
6 Simorangkir (the "Etsy Postings"):

22 32. Simorangkir is informed and believes, and thereon alleges, that Love, and/or Love's  
23 agents have contacted Etsy in writing and requested that Etsy remove Simorangkir's online store  
24 from that website. In doing so, Simorangkir is informed and believes, and thereon alleges, that Love  
25 and or/Love's agents made similar false and defamatory written statements about Simnorangkir.

26 33. Simorangkir is informed and believes, and thereon alleges, that Love, and/or Love's  
27  
28

1 agents have contacted Simorangkir's clients, various stylists, competitors, distributors, fashion  
2 publications and websites, and/or other influential people in the fashion industry. In doing so,  
3 Simorangkir is informed and believes, and thereon alleges, that Love and or/Love's agents made  
4 similar false and defamatory written statements about Simorangkir.

5 34. All of the statements alleged in paragraphs 29 through 33 above are false, in their  
6 entirety, as they pertain to Simorangkir.

7 35. All of the false statements alleged in paragraphs 29 through 33 are defamatory and  
8 libelous on their face as they adversely affect Simorangkir's reputation, expose Simorangkir to  
9 hatred, contempt, ridicule, and obloquy, and have a tendency to injure her in her occupation.

10 36. The above-alleged statements were seen and read by potentially millions of people  
11 who reside in California, and elsewhere, by logging on to the various websites listed above.

12 37. Defendants, and each of them, published the statements either with knowledge that  
13 they were false or with reckless disregard as to their truth and falsity.

14 38. As a proximate result of the above-described publication, Simorangkir has suffered  
15 loss of her reputation, shame and mortification, all to her general damage in an amount to be  
16 determined at the time of trial, but well in excess of this Court's general jurisdiction.

17 39. The above-described statements were published by Defendants, and each of them,  
18 with malice, oppression and fraud, and because of their feelings of hatred and ill-will toward  
19 Simorangkir, and with willful and conscious disregard for Simorangkir's rights, thereby justifying an  
20 award of punitive damages against Defendants, and each of them.

21  
22 **SECOND CAUSE OF ACTION**

23 **(For Invasion of Privacy - False Light, against all defendants)**

24 40. Simorangkir re-alleges herein by this reference each and every allegation contained in  
25 paragraphs 1 through 39, inclusive, of this Complaint as if set forth fully herein.

26 41. Love, without Simorangkir's consent, invaded Simorangkir's right of  
27  
28

1 privacy by posting and publishing the false statements depicted above placing Simorangkir in a false  
2 light to the public.

3 42. The false light is highly offensive and objectionable to Simorangkir and to a  
4 reasonable person of ordinary sensibilities.

5 43. Love published these statements either with knowledge that they were false or  
6 with reckless disregard for the falsity of the publicized matter and the false light in which  
7 Simorangkir would be placed.

8 44. Love's publication of these statements has created publicity concerning the false light.

9 45. As a proximate result of the above-described invasion of Simorangkir's privacy,  
10 Simorangkir has suffered general damages in an amount to be determined at the time of trial, but  
11 well in excess of this Court's general jurisdiction.

12 46. The above-described invasion of Simorangkir's privacy by Defendants was committed  
13 with malice, oppression and fraud, presumably because of their feelings of ill-will toward  
14 Simorangkir, and with willful and conscious disregard for Simorangkir's rights, thereby justifying an  
15 award of punitive damages against Defendants.

16  
17 **THIRD CAUSE OF ACTION**

18 **(For Intentional Interference With A Prospective Economic Advantage, against all defendants)**

19 47. Simorangkir re-alleges herein by this reference each and every allegation contained in  
20 paragraphs 1 through 46, inclusive, of this Complaint as if set forth fully herein.

21 48. Simorangkir had economic relationships with various clients. Simorangkir's clients  
22 had previously purchased goods and services from Simorangkir, in particular Boudoir Queen  
23 clothing and apparel.

24 49. There was a strong probability that Simorangkir's clients would continue to purchase  
25 Boudoir Queen clothing and apparel from Simorangkir.

26 50. Love was aware of some of Simorangki's clients, as well as their relationship with  
27 Simorangkir.

1           51. Love's above-referenced intentional acts, in particular Love's defamatory conduct,  
2 were designed to disrupt Simorangkir's relationship with her clients. Love intended to intimidate  
3 Simorangkir's clients and discourage them from doing business with Simorangkir.

4           52. Love's intentional acts have caused actual disruption of the relationship between  
5 Simorangkir and her clients. Love has intimidated Simorangkir's clients and discouraged them from  
6 doing business with Simorangkir.

7           53. As a proximate result of the above-described intentional acts, Simorangkir has  
8 suffered economic harm and damages in an amount to be determined at the time of trial, but well in  
9 excess of this Court's general jurisdiction.

10           54. In addition, Love's conduct was intentional and done for the purpose of causing  
11 injury, and was despicable conduct that subjected Simorangkir to a cruel and unjust hardship in  
12 conscious disregard of her rights, so as to justify an award of exemplary and punitive damages.

13   **FOURTH CAUSE OF ACTION**

14   **(For Breach of Contract, against all defendants)**

15           55. Simorangkir re-alleges herein by this reference each and every allegation contained in  
16 paragraphs 1 through 54, inclusive, of this Complaint as if set forth fully herein.

17           56. Simorangkir and Love entered into an enforceable contract for goods and services  
18 whereby Simorangkir agreed to make various custom garments and apparel for Love out of vintage  
19 textiles, and in turn, Love agreed to pay Simorangkir for doing so.

20           57. Simorangkir has duly performed all of the conditions, promises and covenants which  
21 Simorangkir was required to perform, except those obligations Simorangkir was prevented or  
22 excused from performing. More specifically, Simorangkir has made and delivered to Love, and  
23 Love has accepted, garments and accessories valued at over \$4,000. Additionally, Simorangkir has  
24 incurred significant expenses delivering these custom garments as well as unused vintage textiles.

25           58. Love has breached this contract by failing and refusing to pay the amount due owing  
26 under same.

27           59. As a proximate result of Love's breach of this contract, Simorangkir has  
28

1 been damaged in the amount presently unknown but will be proven at trial.

2  
3 WHEREFORE, Simorangkir prays for judgment in her favor against Defendants, and each of  
4 them, as follows:

5  
6 **ON THE FIRST CAUSE OF ACTION**

- 7 1. For general damages according to proof at the time of trial, but in an amount in excess  
8 of the jurisdictional limits of this Court;
- 9 2. For special damages according to proof at the time of trial, but in an amount in excess  
10 of the jurisdictional limits of this Court;
- 11 3. For interest on any monetary award to Simorangkir at the legal rate;
- 12 4. For punitive damages;
- 13 5. For costs of suit incurred herein;
- 14 6. For attorneys' fees to the extent permitted by contract or statute; and
- 15 7. For such other and further relief as the Court may deem just and proper.

16  
17 **ON THE SECOND CAUSE OF ACTION**

- 18 1. For general damages according to proof at the time of trial, but in an amount in excess  
19 of the jurisdictional limits of this Court;
- 20 2. For special damages according to proof at the time of trial, but in an amount in excess  
21 of the jurisdictional limits of this Court;
- 22 3. For interest on any monetary award to Simorangkir at the legal rate;
- 23 4. For punitive damages;
- 24 5. For costs of suit incurred herein;
- 25 6. For attorneys' fees to the extent permitted by contract or statute; and
- 26 7. For such other and further relief as the Court may deem just and proper.

**ON THE THIRD CAUSE OF ACTION**

1. For general damages according to proof at the time of trial, but in an amount in excess of the jurisdictional limits of this Court;
2. For special damages according to proof at the time of trial, but in an amount in excess of the jurisdictional limits of this Court;
3. For interest on any monetary award to Simorangkir at the legal rate;
4. For punitive damages;
5. For costs of suit incurred herein;

2. For special damages according to proof at the time of trial, but in an amount in excess of the jurisdictional limits of this Court;
3. For interest on any monetary award to Simorangkir at the legal rate;

5. For attorneys' fees to the extent permitted by contract or statute; and

### Bio

courtney love cobain here, ive tried this now 5 times i guess i wirt too much have a new album coming to my website jan 1 it will cost 2 dollars to come onto the site wich is being made absouloutly magical by jordane and then i pick 8 songs a day you can have for free but you really ought to pay me as i have spent most of my money on this record whatever you think i deserve, then there will be 10 - 14 other songs with content and video and lachapelle video at that that you can buy for 99 cents just like i tunes i am doing loads of pr so i love gothic lolita pieces (if you live in japan and want to do some shopping for me for a small fee let me know) with antique pieces with the stuff i am makin, very slouchy boyfriend t shirt with an 1890s waistcoat with a bustle and a pair of black on black pinstriped bloomer pant, oh yeah , bloomer pants, i swear they look cool as heck. and a flannel wrapped around a teens titanic dress, anne boley, marie antoinette (thats whose crest that is) and wilches cinderella and chinese foot binding and bridal stuff all obsess me cake toppers and brides left at the altar, etc. this record postively oozes the widowhood i never have acknowledged in a record and its very hard and so these symbols and art help me a lot. if you have old antique dry rotted shawls or dresses hanging around with useful appliques im your girl and if you have a cool pattern but not the greatest fabric i will send you the fabric.

\*\*\*SIDE NOTE\*\*\* Please do not ship to me using packaging peanuts or popcorn. It is terrible for the environment and not to mention really messy. Thank You!

twittrng/ignons.com the trouble with etsy (one VERY mean 45 yr old girl)  
current moods: apoplectic

yes i dont know the point or it really but its shorts in on twitter as courtney love 79 cos the real mes are all taken up by phony mes. tried to embed the vid get erratats like me doing advanced calculus while reading Italian Vogue for the articles

im not going to deal with this issue until after my lawyer and the Austin Police deal with it, but my etsy adventures are about to end period. it turns out as i suspect have been stolen from on a level (ethically) yes but no one calling themselves a "designer" has ever taken my best clothing and textiles and ripped me off like this. i restrained myself when it came up from Annette Phillips (my and Madonna's stylist) because Panos now we are still great friends. it was lovely when Riccardo (Givenchy) called me the other night and then in dealing with certain editors of certain Vogues and Wetc. i have so far said nothing about this pennant "designer". But im usually pretty chilled out. MAN OH MAN AM I ANGRY!! this may work out and we can be friends again. she has received a VAST amount of money from me over 40,000 dollars and i do not make people famous and get raped 100% besides etsy is great but they need to get their admin together. i've been assured they will they will remove her store completely so she cant outmise anyone else.

my sassnck cal me cos etsy vendors have called her cryong pr using the word "flapper" she says its everyday and i dont like a BULLY and none else in the fashion industry does either. shes a genuinely nasty person so i dont know what makes her "akouls" will actually do FOR HER. AT SOME POINT SHELL HAVE TO SHOW HER FACT AND THAT BLEAG & CLUD OF VAMPIRIC ENERGY THAT IS AROUND PEOPLE WHO SOLD DRUGS OR WERE MOLESTED OR ITS THAT GREY AND BLYS OF BLACK IN THE AURA. im too much of a pussy about people. with this energy and the thing i have GIVE TO LEARN IS THE UNLESS THEY HAVE SOME INSANELY BRILLIANT INFRASTRUCTURE AND THEY DONT EVER SOAK OVER. those people NEVER MAKE IT IN THE REAL WORLD EVER. i've been assured from etsy she'll be removed and banished but its not enough. we had a deal i gave her a VAST amount of money. do the id been collecting for 3 years and 40,000\$

is that not a vast amount of money? the dothes are insured for 340,000 but are more worth 500,000 some were as i said a former girlfriend's and some were a silent film star's. generally i dupe de them myself. i have impeccable taste. this is not someone who can make PANIS. But im cursed she suks a piece of chinese chiffon peacock colours all in lame velvet. old french notions. a bust of this silent star that's astonishing and shes older this chick so shes always blogging about how im wearing her things. i cannot wear her things now when the cd comes out ill wear what she wants. (i know we all love Katy Perry) but i listened to her very good voice on late night where they lay the videos and i saw her shes very pretty vido and her ombre in her voice is undeniably nice but i love the 1 the song and something about the voice really annoyed me. i just watched all the videos. love it 2 and that boots song. actually okay. there are better songs in there cord but the video helped god DAMN. miss videos so happy. la chapel is doing mine. just something about Katy's voice. made me think that she didnt write that song.

chick so she always blogging about how wearing her things I cannot wear her things now when the cd comes out ill wear what the hell I want (idk now we all love Katy Perry but I listened to her very good voice on late night tv where they lay the videos and I saw her shes very pretty vid and her girly inner voice inundeniably voice but I loathed the song and something about the voice really annoyed me I just watched all the videos I love U2 and that boots song I actually okay there are better songs in there record but the video helped god DAMN miss videos so happy I achapelle is doing mine I just something about Katy's voice... made me think that she didnt write that sort of expositional song its very almost Broboodaway. Sober is written by FIVE people I checked cos I like it yes I like a Pink song I couldve sworn that was Linda I called Linda on that song it makes me miss Linda who I adore totally and havent got one negative thing about thought to say about such an honourable loyal and wonderful woman.

Garthrugamordved me to my designing soul mate Pippa this insanely nasty Etsy person has committed a straight up felony. Grand Theft not to mention blackmail I dont live in Austin but the police there my lawyer said were more than happy to confiscate everything there and take her in for Grand Theft hopefully but this is a big mis understanding and she stops after receiving the cash and the notions (from the estate of a regaled girl and if you have not read and seen "Jazz Age Beauties" your really missing out its totally worth every penny of it its about the amazing genius of Alfred Cheney Johnson's insanely beautiful photography on the positive side Pippa is a genius St Martins trained and has a definite vision which is very much like my own but better in ten days im shooting the cover of a big magazine and the following day another cover of another big magazine the point of this is to highlight this girl's talent upcycling/aesthetic design I call it but after 40,000 dollars which is far far too much I dont spend that at ALL IN NY why the hell would I take a designer upcycler who've so far done nothing but positive things for before the GO I have to stick to wearing the Givenchy although Riccardo is going to make me some stage clothes one hopes but as soon as CD drops I can and will wear what I want and not get slated for it this persons greed and desperation is demanding that I wear her stuff every day I get slated and I dont CARE too much what people say about me never have never will going Sidney @etsy makes amazing hats one I wore in the hed shoot its a pair of horns ill borrow the agains you may note that in the issue of LOVE my face isnt show much that is due to my makeup artist not understanding Hed doesnt DO glamorous hed does clean skin and a Rick Owens t shirt he had to spend so much time retouching the ridiculous and its partly my fault for not stopping her she did the whole I CANASODA @THE GOTHIC ROGUE WHO OWNS I CANASODA IS ONE OF MY FAVOURITE PEOPLE IN THE WORLD RIGHT NOW JULIAN KINASTON HE GETS DRIVEN AROUND LONDON IN HIS TWILIGHT BLUE BENTLEY WATCHING NOSFERATU HE WEARS EYELINER IN EXTREMELY COMFORTABLE AROUND HIM AND HE HAS CREATED A PRODUCT WHICH WILL TAKE MACQUON HOSASS I GIVE TO A GROUP OF CONSISTENT CHARITIES EVEN D305 WHEN I THOUGHT HE WAS POOR I WASNT PEREZ Z GPAT FIRM AD STOKEN 27.9M FROM M&AND GOD KNOWS WHAT FROM KURTIS STATE X8.0 OTHAT IS THE GENERAL RULE ITS ALL ON THE RICCO EXCEPT MY BMI CHECKS I FOUND OUT HE EVEN HAD AN ACCOUNT AT UPS SCOTLAND TOO FAST IT WAS ON THE PHONE WITH HAVING A SCREAMING MATCH WITH THE CEO I THINK THE NUMBER 2 FOR REAL OF AMEX HIGER 30 side of pepe who say things like show could he not know she didnt have 72 visas and 29 amex with 32 people allowed to use them cos I had no idea how much money was in there I thought it was against the law like the way Astin Etsy he blackmailing me with my samples and clothes some add pippa can get started on some of the and others I were like a common orange 20s dress not too much going on still over 5000 dollars but its not something I want to replicate can see why can happen to it and so to her credit can Austin Etsy but just because you have some talent and a terrifying level of ambition and your 48 years old AND NOTHING HAS WORKED OUT FOR YOU EVER the desperation is palpable if you dont have a spiritual practice other than drinking more vodka than I've ever seen anyone in just GO AND PEREZ I NEVER DRANK EVER STOP SAYING I ON DRUGS WHEN I CAN NOT EVER ON DRUGS THE WAY I WRITE IS NOT INDICATIVE OF ME BEING ON DRUGS SOMETIMES THE WAY I WRITE IS INDICATIVE OF HOW ANGRY I AM JUST REMEMBER TO HAVE ALL YOUR address with mathematic mine and emerald Adairs in Temple Florida if you want to see them gimme a fax machine im sorry if you had the balls to see the aks you send me the fax number and then youd have to deal with the fact that something very strange is going on first I almost emailed you about this girl I am so glad I found out about this girls insanity before I let the monster out cos no one else will touch her now I spoke to Melissa and the Citizen Band group girls and they barely care they shop at Gemola and found a professional who does upcycling why isnt she on etsy ALL CONSISTENT DESIGNERS GET YOUR ASS TO ETSY SHES THE ONLY ONE AND IM SURE SHES MAKING 100-200K A YEAR AS SHES CHARGING 700 DOLLARS FOR ONE ARNSTE I MEAN REALLY I told her to stop overcharging me and I never replied because I didnt have them Melissa and Karen

one thing in fashion no one will tolerate what so ever is unprofessional behaviour one dont ask for money up front and then in possession of notions so rare and lame velvet that's 340 dollars a yard and these things are MASSIVE investments to me, also the fashion industry doesn't tolerate blackmails and bullies in God forbid another vendor on etsy uses the word "flapper" my assnt odd who has been dealing with the etsy girls has had so many girls sobbing because theyve been lambasted for using in their tags "Boudoir, cabaret, silk, everyone copying you only and i know about being copied upside down and backwards, it means your doing great its a compliment the original always wins she must not be original to be bullying, screaming threatening shes goint to sue thats insane coming from someone with three warrants for her arrest

i remember a girl named Trudie True love who wore big bindis (89) there an etsy store called "Big Assed Bindis @ etsy.com" that have gotten alot of very well priced Bindis that are huge not little and i remember Trudie's style (Stefani wore teensy bindis later much much later and i always beat up myself about not wearing the big bindis first cos the one thing about being a girl in music and theres very few of us in ROCK although i got a great ex from Brodie Dale the other day theres not alot of us in R O C K, but still even for ten Popsters and the kiddie Clarksons and my MAJOR MEGA GUILTY PLEASURE PINKS GOT A SONG AND A VIDEO BY DONAS (ACKERLUND) CALLED "SOBER AND FOR SOME REASON REALLY REALLY LIKE HER SONG III" were all expected to (minus Goddess Stevie) to change flip, wich is really really FUN to but stupid me always go for the wild card so i would be GIVENCHY and this nasty piece of work doing my tour clothes, and she remains a nasty piece of work until she stops this madness and realizes that being in possession of half a MILLION dollars worth of investments that took 7/8 years to collect is precious and to have a major magazine doing a piece on nothing but her stuff and 40 fucking GRAND is far too much, she should be on her knees praying to her god she has (shes a nihilistic black clud of negativity whoever her higher powers dont want it) that i found her advocated her and just short of letting the monster out of the bag i have realised that I CANT afford this shit 2 LIVES TOO SHORT FOR MEAN GIRLS/HOMOPHOBES/RACISTS/UNTRAINED WOMEN WHO AT AGR A PIECE OF CHEFON TO AND DRESS AND CALL IT WORTH thousand of dollars i have not yet named her as before the Austin Police confiscate everything there and take her in later today she can and i hope she does REWIND to before she went kookoo bananas, there are only two choices

Go to jail and the DA will press the charges i dont even have to, according to my lawyer spoke to the Austin DA (and while he was at i brought up Brooke Barrettes selling of Kurt and Mel shirts out of po box using Kurt's snes so its actually two arrests being made in austin texas today, Austin hotbed of evil girls? well 666 photography are there and they are great and topsy turyy etsy or i like her site better topsy turyy designs.com is there and she owes me that elizabethan hatty but shes a genuine talent on 666 if you look at the more 20s and 30s stuff and skip the pinup crap, theres a dress she made entire out of peacock feathers and its amazing they have the LILIANASQUA vibe without the LILIANASQUA (oh one thing about the more wonderfull Goth Mogul he started the SOPHIE FOUNDATION, the Goth girl in London who was beaten to death for being a Goth were talking about throwing a huge party to raise money for SOPHIE< its a very very moving foundation naming the first of the four fender guitars im designing and theyre helping me with it but Kirts first one is called the Sophie im trying to get on fenders side how much theyre goin to donate but on my side i think a foundation means you donate all profits to it, so far what the SOPHIE foundation does is that fag/freak/goth/punk/nerd/geek weve all been picked on and bullied by people like the etsy woman, insulted told we werent shit etc, in my case bullying comes in the form of financial shenanigans and in many cases i get made fun of so i dont address them anymore, i have A LAWYER who deals with all of this issues surrounding the Estate of KG and the Trust of EBC< and i promise you within a few weeks, Made of will seem warm and fuzzy< but i wont say a word you wont be heard from me, so my last comments on that situation and what good came of it was that i attracted the NY state attorney General the New Jersey Attorney General and my AMAZING criminal litigation lawyer and i firm so i literally dropped to my knees and started chanting and praying cos im no lawyer i mean i do innately good forensics but i dont have the time to look at all 37 Kurt's Cobains in Henderson Nevada when there are no Cobains at all in Nevada let alone Kirts, for creepsy they made a death certificate for Frances in phoenix to use the snip its so complex its just chinese to all of you except perez needs to tell me where to go when i see akas i want to see his jaw hit the floor

i do however have time going forward with finding a replacement designer to feature for the second magazine cos its all about Givenchy in the first, the second is more open to an indy and maybe ill just let Panos or Pippa pick

see the jaw hit the floor  
I do however have time going forward with finding a replacement designer to feature for the second magazine, cos its all about GivENCHY  
in the first, the second is more open to an indy and maybe ill just let Panas or Pippa pick

However before I scorch the earth, have my lawyer have her pick up and everything in her premises confiscated, let the DA who is  
excited to do it charge her (and Brooke) with two kind of Grand theft but both grand theft, Brooke will get it, she makes merch and sells  
it (per Brooke PARNENT AND HER KURT COBAIN AND ADDRESSES BASED ON HIS SOCIAL SECURITY NUMBER WHERE SHE RUNS  
KURT COBAIN.COM FROM ASHPLUS - jail using a deadmans or anyones can jail, she knew it would come to this, its just so happens that  
today unless this woman comes to her senses, she will be taken off of etsy she will be removed from any boutique selling her stuff to  
save them the trauma and tears she will end it  
in and the bullying must stop, these are sensitive girls and so am I, ive over paid this person and they have my best textiles so lets hope  
she comes to her senses so she can reap the rewards of being on the cover of this magazine ad having her stuff in a 1/2 page spread  
otherwise shes just another totally self destructive person who doesnt need to be around generally trying hard brilliant talented and trained  
people like Pippa or Panas or Aranne or Patsy Wilson or editors, all whom I know who trust me and trust them

lets hope, I post one line about this

The vendor came to her senses and received the fifty dresses in the last fifty days, thats great cos theres some great pieces and I can  
really help her and shes promised to stop bullying other people, and has addresses her warrants and her 16 year old son who she was  
deemed toally unfit and my understanding is shes spoken to him three times in his life, this could have such a happy ending for her, but it  
will not involve any of my money but my lawyers fees, there is no more money for this girl, not one dime, so maybe she can explain this  
crazy misunderstanding, I did have a terrible sloppy historic business manager who would prefer to talk about medication (hers) rather  
than taxes, I dont want hysterics near my money as complex as this, theres no overly in place for this nonsense in my life right now, if  
she wants to return everything I will pay for shipping and she also needs to endorse a 40,000 dollar check, the damages alone are omg  
almost faint when I think of it, thought I m going to make this person a star, and generally that works (case Perez) but when someone  
hates themselves almost fifty has never experienced success, just on the brink of it you can see their paralyzed of success by pulling  
astunt that will NOT fly, I dont pay for some stylist to come hang out, I dont pay for clothes AFTER ive paid for clothes and my vendors  
have been with me for some of them over 20 years

This is praty dramatic as the self destruction with this girl, its like she is so scared of success that she has to blow it with me with all my  
friends and with etsy all in one fell swoop so lets all hope she wakes the fuck up NOW, cos theres about 5 hours left for her to do so, or she  
will be sleeping in a jail cell tonight

I understand fear of failure, I dont actually have one (sorry I just dont), but Ive got immensely talented friends who do, directors, actors,  
designers, that kids just do the right thing always, your reputation is the coin of the realm for a vendor, a seller of goods, and bullying,  
lying, embbzlement and theft are not things we associate with a designer, so she needs to get suck it up and realise I do know what is  
best for her and allow me to help her help herself, Ive never called a designer that failed, so girl get your shit together, I mean  
IMMEDIATELY you can call Cohen and Gardner, Johnathan Gardner in LA and work out how the fifty dresses and all the crals will be here  
within now 9 days, I started this last night, so you best get working day and night, or choose the Austin Police, theres no third choice  
but if you trust me, can get you through this self doubt and greed and you come out the other side, maybe successful and less desperate in  
2 months when the magazine hits the stands and its your stuff on the cover and inside, think of how great your going to feel  
I know how silly your greedy and bullying behaviour was and how it got you nothing but a fist doesnt change today, your name will be used  
in my circles and everyone from the top of the fashion pyramid down will know your not to be touched, and etsy will remove you, is that  
worth it?  
to npe someone of?  
hmmmm

11/11/05

throughout your life. Easy and only if you're very young, was a job to do. You had no other choices. Not a job. You were used in my eyes, and everyone from the top of the fashion pyramid down will know your not to be touched, and Etsy will remove you. Is that worth it to rip someone off?  
 hmmm  
 one choice: great benefits, excellent upside, learned from your mistakes that bullying and nastiness get you nowhere. A great living, other choice: Ate and no way of making a living. Is entirely up to you.

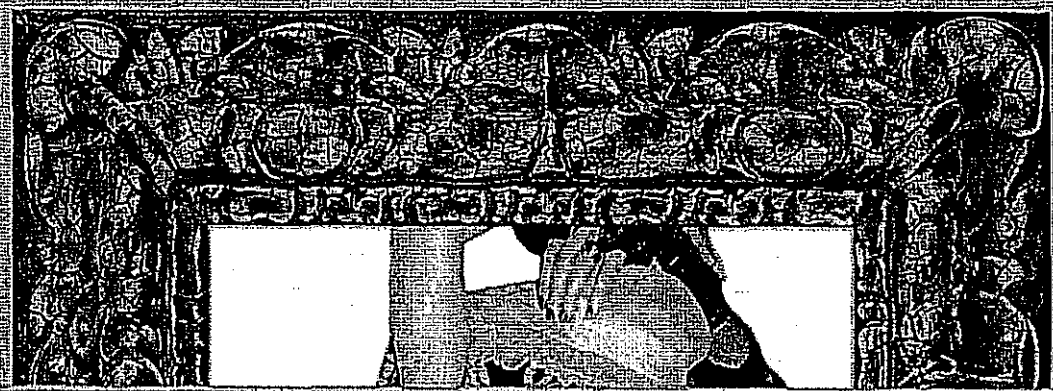

but for this woman, he has today, and only TODAY, a few HOURS, to turn her life into a rise up or living hell. It's a different thing when it's in my wheelhouse, fashion, and it's where I live, and I've talent always use but this is pictures of pretty girls and I will save the scorched earth in case she comes to her senses, and we can go back to being friends, and all will be well. So, certainly hope the logical only choice to make gets made in fact in sure she is perhaps self preserving enough that she won't destroy it all by greed, blackmail, embezzlement, and the rest, that leaves her to get up off her ass and start making the "FIERY DRESSES" starting NOW, 25 dresses a DAY, go girl, go! and I look at this as a little glitch, to choose the fight you'll lose beyond fact, just make the decision to do the right thing and do it. I say this from experience with being self destructive and stubborn myself, but no, you don't get as I started all that cash, and all those clothes, and then change the rules of our deal. It's not done, NO ONE WILL EVER TOUCH YOUR ITEMS FOR THE REST OF YOUR CAREER. It do mean even Imogen and Patti, NO ONE.

I hope I've gotten my point across in case, repeating myself 30 times to this designer, I'm fed. This is a warning, I must say, but shall be sitting in a jail cell in Texas if he doesn't do her side of the deal as of now and confirm it as so with Jonathan.

oh twitter

I like it cos its short god forbid courtneylover79 is me i dont know how to write the main ceo of twitter and tell him im MR ad theres per usual about 30 "MES" running around there its a great little check in no im not writing what i had for dinner ill write it later like i did yesterday about how i learned shakespeare in a dark room the wrong way and how he has served me so well for the rest of my life being a d d d d d d d d about the bard then a few years later i went to the Shakespeare festival in ashland and heard it used in the iambic pentameter noone had informed me of it was a crazy lucky break to learn shakespeare my own green eggs and ham way

great store in a run by the fabulous rose she is a great vendor totally professional and im boycotng etsy altogether due to this vendor there but apparently they will remove her store as im her first BIG victim but shes been robbing people off for a long time if you got any of that last postra designer on etsy whose been paid a massive amount of money and is in a session of dress noyons dresses and fabrics changed the rules she now wants a 750 percent she begged she made me fifty dresses uh they must be INVISIBLE dresses but if the fifty dresses she has enough to make about 100 and every scrap of mine isnt sent to me within 9 days or she can express her thoughts to my lawyer today the police will confiscate everything in that studio and i will sort it out and get out what is mine (almost all of it) return the rest to her while she serves her year plus for Grand theft as she was filmed stealing things from my room on top if everything ELSE (god loves a girl who puts cameras up) i hope she makes the right decision really its an ass pain all and stuff shee be a leper and noone will touch her or her designs even these pretty austin local girls she manipulates to model for her implying she dresses certain celebrities who havent even heard of her etc etc

idont want to scorch the earth just gently and firmly let her know the consequences of her actions and that greed is not good greed in this case is illegal and all transactions have been witnessed by credible people with impeccable reputations who were overwhelmed by her to say the least and warned me she would pull this trick the faith that her clothes modelled by alot of london it girls me and some ny girls in a mega mag would save her from her negativity but she apparently allowed her greed to get the best of her however she has a few hours to get back on track and to get her ass to work on my fifty dresses otherwise my advise re etsy is to be very very careful in fact forget about etsy for about here 99% of the vendors are great and sincere but the one bad apple she sticks with this felonious behaviour needs to be jailed and removed off etsy as she represented that she represented etsy

my team will track down anyone doing any business with her and make sure they cease and desist as a means of protecting themselves

but we arent there yet i believe she will make the right decision she hasnt got much of a choice shes been paid and has all the textiles and dresses to do so so ill have my coffee do my chanting and yoga to keep myself balanced so i can have compassion for this poor desperate girl whose rage and negativity will destroy her unless taken into a place of love and positivity and her talent needs to be the thing which is stoked about her i am a great transition for her not a bank five never paid this much to a someone as i ve prepaid her as she worked FOR etsy i thought this was perfectly fine noone else on etsy has ever scowed me but this one well she has a big decision to make now she can have her coffee meditate understand that people like me who are transition people dont pay insane psycho money to anyone ever not marjacobson not karl lagerfeld (well once to lanvin but my reward was better than can be imagined) and she comes nowhere near to the talent she has an eye and could be great but she needs to learn not to steal not to be greedy and not to bully

FOR etsy. I thought this was perfectly fine, noone feels on etsy has ever screwed me, but this one, well she has a big decision to make, now she can have her coffee mediator understand that people like me who are transition people dont pay insane psycho money to anyone ever not marc jacobs not Karl Lagerfeld (well once to Lanvin but my reward was better than can be imagined!) and she comes nowhere near to her talent, she has an eye and could be great, but she needs to learn not to steal, not to be greedy and not to bully, so that is it, the rest is in the lawyers hands, those of you on etsy, visisted by her, you need to write abuse@etsy.com or lawyer (speaking indirectly with the owners and their lawyer and the Austin police, he has been speaking to them, they've called him several times, but im hoping despite all of this there will be a happy ending, I thought she was my friend and friends do not fuck over friends,

so she'll rethink this absurd insane greedy illegal concept and throw it out, im sure of it, and well have a lovely making up and she'll be able to be ready for some success and not this desperate fringe-dwelling far, she can be telling the truth for once.

I know ive gotten more worked up about millions stolen, but those are stolen, im making a record, I have a matcha billiard design partner named pippa, I have the best stylist on earth panos yipanis and am the muse for Givenchy, I know how lucky I am, this record sounds like a massive push to the face with word 80s code au twins and sisters of mercy references, I

have A lot of lyrics in the bridges to write, Samantha you wont even recognise it, its so brilliant now dont go getting demotics, almost everything but one thing has changed in radical ways and i dont want to hear it, liked the first version that called demotics you used to that song that way, so you get posseive of that bridge and that riff and that sonic decision as long as this is bloody well taken DONT ASK, I know all the festival like Glasto etc have been booked, and so we can headline and theres no point in coming outless we come out massive

but were playing a few shows were committed to and between Melissa and me well think of something brilliant, I want to recruit Marvin Nyon to help us on INCENDIA (ahhh its a mystery)

and I need something to rally inspire you, jazz age bealtes and florenz ziegfled and wiemar republic cabaret stuff, im more excited than the empye, vidis good but not great, amazon has a book called PANIC! a lot of illustrations, crazy sparking machines and shit from the cabaret era and the 7 additions and professions of amita berber, thats a quick and sick read, FLAPPER is amazing, and as always I get my jollies off Porret

c20.com has the best thea and ossie collections ive ever seen, total Pallenberg and faithful and Rosh Vintage have great lds

as always the museum's of antique dress.com (deb) and vintage textile.com (linda) im thinking about laying away since im on a VERY strict budget, a made in the depression couture lingerie piece and a black tulle skirt with silver paillettes, (linda) theyre very good to me, I love that gold crazy coat on vintage, but fuck, i dont have that kind of money

still good with me on etsy

citizens band/xmadmx.com

In so many ways, by Melissa's Renaissance and reading everything I can GET MY GREEDY LITTLE HANDS ON ABOUT THE cabaret culture of the Weimar Republic, I am DISGUSTED that aforementioned Austin Upcyder, showed MY clothes to Sarah Spohrer Flicker, and used MY robes to get to her. I have begun discussions with the members of this collective (we are moving to NYC soon so I hope to catch their next genius performance as citizens band) my only google alert (I'm really on it love "The Paris is On" and am generally entranced and would hate to see friends and friends of friends get scammed, used and whored out; in fact there was a picture of a four inch plume in Karen (Lalson's) hair onetsy and the plume may be a clip was being sold for 240\$ (I recall I did tell Mellowysa about this on the way to rehearsal that I didn't like the whoring out of her friends that made me feel dirty that trolling etc SPENDING far too much (thanks ecclecia and skydreams and Kay these are heritage pieces I will always do business with you and refer you to others just like I refer Gemolina who is more skilled than the artist I have yet to NAME because in naming her the police will then have been called she can choose to complete her professional obligations to me, does she can choose to be charged with Grand Theft which happens when you sneak out of the chateau in full view of my makeup artists with two massive army bags full of things that do not belong to you and take them to another state and present them to someone "hotter" for your career plans than me so you can pass off my clothes as yours its called GRAND THEFT and worse and I will spend more money on my lawyers than I ever spent on any clothes just getting this danger to society in jail where she needs to be unless she completes her contracted witness obligations, you dont charge someone 40,000\$ and then give them a deadline DEC 10th and here we are in march and deliver them a few items and shop the rest as though they didnt belong to you made of your textiles. I knew she was a hustler, but a fire on eyeah that kind of energy knows no boundaries, well its called A BACKSLING and given the proof of what she's done I sincerely dont think a few shitty rocks are going to bust apart years and years of positive and honest people and vendors and designers to come, or karmic and friendship and professional connections, so its in my lawyers hands and the artist lawyers and police's hands and oh my god the calls and emails I've had. Thank God that crazy bitch did this in a really staley sold artg, beat up, ripped off, underpaid, drank three bottles of vodka (hey I saw that too) bullied me thank you so much, she is seriously a danger to society and for gae will look good on her.
