Re: Reisinger, Jennifer

Dear Chief Kirk:

Please be advised that this firm has been retained to represent the interests of Jennifer Reisinger. It is my understanding that the City of Sheboygan Police Department has undertaken an investigation relative to the linking of the City of Sheboygan Police Department website to Ms. Reisinger's website. I am unsure if the investigation has been focused on Ms. Reisinger or is being focused on a member to the Police Department for allowing Ms. Reisinger to produce this link. However, I believe that aspect of this matter to be irrelevant.

Please accept this correspondence as a request, pursuant to the **Wisconsin Open Records Law**, for copies of all documentation, correspondence, investigative reports, emails and any other recordings or documentation, in any format, as they may relate to Ms. Jennifer Reisinger and/or the issue dealing with the directive ordering her to remove her link to the City of Sheboygan Police Department.

I also understand that an investigation had been conducted by Officer Johnson of your Department. Please also accept this request, pursuant to the **Wisconsin Open Records Law**, for a complete copy of that report, in whatever format, as soon as possible.

As you can imagine, focusing the resources of government on an individual, simply for linking to a public website, is unheard of. This appears to be a request at the directive of the Mayor, possibly for improper purposes or with ulterior motive. That remains to be seen. At this point, however, this firm will be conducting an aggressive investigation, in an attempt to determine the responsible party in this action and the motive behind this directive. Your cooperation in this regard will be much appreciated.

Thank you for your courtesies.

Very truly yours,
