Re: Cease and Desist Publication of Newport Television, LLC, d/b/a WAWS-TV/WTEV-TV ("Station") Materials.

Dear Copyright Infringement Officer:

On or about June 30, 2011, Station discovered that Free Press used and distributed images belonging to the Station, including but not limited to WAWS-TV Station logo and WTEV-TV Station logo (collectively "Materials") in connection with a false and misleading video campaign entitled "Change the Channels - Stop Newsroom Consolidation Now."

These Materials are protected by Copyright laws and you do not have permission to use the Materials or any other Station content. Accordingly, we ask that you immediately cease and desist publication, use and/or distribution of the Materials on your Website or in any other manner.

Failure to comply with this request is an infringement violation of Statutory Copyright laws which provides for compensation for each act of infringement. Continued infringement, considered willful, may result in criminal as well as civil penalties. Station reserves all rights to pursue these remedies, along with any additional remedies under federal, state and local laws.

Best Regards,
