Dope is here man. I could see through your games dude.  
We've decided to send you this email regarding your Christmas present, what's it gona be?

Internet is a serious business (Either quite bothering) all these sites and blogs or will take the bet and nuke you with an early Christmas present.  
If you need a little chat, you know where to find me pussy man. We have chicks with HIV too if that is your taste.

Whadap dude. Dopenull is here from chroniccentral.net Remember me? We tried to pay a visit to you dude. Unfortunately you were not available, we had some chicks that would love to sperm her \*\*\* on you man. R these info correct man? [info removed] Stay tune buddy, keep angering as many adult webmasters as possible. If you're specialized in stalking adult sites, we are specialist in the DOPE and shit like you. Carma is a bitch man, remember. We love nuking people like you. Stay tune, DopeNull

Is this a threat? This sounds like a threat. Are you serious? Strong arming people is not a good idea. You can be tough as hell in real life but that's not gonna stop an overachieving twelve year old Russian youth from shutting down all your sites and fucking with your bank account. But I guess it's your call. ☹
