Subject: Deaner Murder Case

Adrian,

Thanks for helping.

1) Please trick [REDACTED] (old lady) into admitting:

a) she told the 2 lawyers that she did not see the shooting and

b) she told 2 lawyers she did not provide the Government any information about shooting.) This happened a couple of months ago.

2) Canvas neighborhood for witnesses

3) Surveillance camera is triggered by a device that is activated by sound.

Get information regarding:

A) how surveillance camera was installed -- this was described to us as a big production

B) how it is supposed to work

C) how it actually works

D) what deficiencies exist

E) where are our opportunities to argue either misconduct or human error

4) we will provide you with a script of questions to ask Lacey, our witness. This must be videotaped. I or Sherlock will probably be with you when this needs to take place.

Thank you.

Joseph
